

When I first heard about Foodbanks I wondered why we needed them in our modern affluent

society and what did they have to do with me. Three things answered my questions.

The first was talking to an old friend and work colleague who now spends her retirement helping to run the foodbank in St. Neots in Cambridgeshire. What she told me about the ways in which the 'system' lets down and even makes things much harder for people in need of support, shocked and saddened me.

The second was when my youngest brother lost his job through no fault of his own and the gap between applying for and receiving the financial help to which he was entitled whilst looking for a new job was seen to be frighteningly long.

The third was when I watched a film called "I, Daniel Blake". (I have the DVD if anyone would like to borrow it.) Watching that I realised that it can only take a run of bad luck to bring the ordinary, hardworking, caring person to the stage of being desperate and not knowing which way to turn.....

By the time you get this issue of Focal Point there will be a collection point for the Newark Foodbank in the porch of Winthorpe Village Hall. There is lots more information on page 8.

I'm glad I know the answers to my questions now! If you would like to help, just pop something in the collecting bin in the Village Hall (for opening times see page 9.) Your contribution will mean a lot and help to make a difference. **Annie Purday**

Closing date for the October issue is **Friday 22nd September**

GIANT SUNFLOWER COMPETITION

We hope everyone is having a fantastic summer holiday, and enjoying the (mainly) good weather. How are your sunflowers looking? Do you think you might have a winner?

Remember to measure your tallest sunflower as soon as the flower is fully formed – after flowering finishes (and the seeds start to form) the weight of the large head starts to bend the flower downwards. Measure from the soil level to the highest part of the flower. Keep a note of the height and e-mail it to us at:

winthorpesunflower@hotmail.co.uk

We can't wait to hear from you and to find out who will win one of the shiny winners' trophies that we will be presenting at school.

The competition closes on Sunday 10th September, so don't forget to e-mail us on or before that date.

Please e-mail even if you're pretty sure it's not going to be a winner, as we'd like to know how many people took part and how they got on. Photos would be great too – we usually make a slideshow of everyone's efforts for our visit to school to announce the winner – the children love seeing their photos up on the 'big screen'!

GOOD LUCK! Liz & Charlie Ferreira

NEWARK FOODBANK COLLECTION POINT IN WINTHORPE

There is now a Newark Foodbank collection point just inside the porch of Winthorpe Village Hall. Some people in Winthorpe, Langford and Holme already donate in other places like churches and shops but up to now there has been nowhere available locally.

So what are Foodbanks all about?

They provide emergency food to people in crisis.

Every day people in the UK go hungry for reasons ranging from redundancy to receiving an unexpected bill on a low income. A simple box of food makes a big difference, with foodbanks helping prevent crime, housing loss, family breakdown and mental health problems.

No-one in our community should have to face going hungry. Foodbanks provide 3-days' worth of nutritionally balanced foodstuffs and basic household or baby needs to help single people,

couples, small and large families who find themselves short of money and in a crisis situation perhaps caused by illness, family break up, unemployment, benefit delays, family bereavement, relationship breakup, theft or a myriad of other reasons. Volunteers are there to chat to people over a cuppa and a biscuit or beans on toast and help direct them to agencies and people who can help with the crisis.

The Newark Foodbank is part of a nationwide network of foodbanks, supported by The Trussell Trust, working to combat poverty and hunger across the UK. It is run and staffed entirely by volunteers. You can find out more about the foodbank and how it is run by going to the Newark Foodbank website (www.newark.foodbank.org.uk)

How foodbanks work

Food is donated, sorted and stored.

Volunteers sort food to check that it's in date and pack it into boxes ready to be given to people in need. Over 40,000 people give up their time to volunteer at foodbanks.

Professionals identify people in need

Foodbanks partner with a wide range of care professionals such as doctors, health visitors, social workers and police to identify people in crisis and issue them with a foodbank voucher.

Clients receive food

Foodbank clients bring their voucher to a foodbank centre where it can be redeemed for three days' emergency food. Volunteers meet clients over a warm drink or free hot meal and are able to signpost people to agencies able to solve the longer-term problem.

Over 90% of the food distributed by foodbanks in [The Trussell Trust](#) network is donated by the public – that's why your food donations are absolutely vital to their ability to give everyone referred to them a balanced and nutritious three day supply of food. Here in Winthorpe we are trialling our own collection point in The Village Hall for a three month period. The kind of items which are needed are long-life items such as tins and packets but no fresh food or outdated items. Ordinary essential everyday items such as loo rolls and shampoo are also needed. There is a complete list of what is needed at the moment on the next page.

The Village Hall is open whenever Max Neale's Art Classes are being held i.e. Tuesday evening 7-9, Wednesday 10-2.30, Thursday morning 10-12, Thursday afternoon 1.30-3.30, Friday morning 9.15-12.15 Friday afternoon 1.30-3.30 and the first Saturday in the month 10-12. It is also open some evenings when it is used by different clubs or classes. For full details see the Winthorpe Village website.

Please support us and help make a difference!

THE LORD NELSON

Dear folks,

August saw us host our annual Duck Races and the first draw of the Winthorpe 100 Club; we wish them every success for their future fundraising.

You may have seen a skip by the Beck as the upstairs of the pub is refurbished ahead of Emilie and David moving in to live above the Nelson.

We're also excited to announce we've purchased a marquee! We have lots of enquiries for private events - which we balance carefully against keeping the pub open for locals and impromptu walk-ins - and sadly our weather is not predictable enough to confirm that a summer event will be accompanied by summer sunshine. Our fabulous new Capri style marquee will be available for parties, wedding receptions and christenings, offering rustic-style tables and chairs (or straw bales!) to seat up to 80 alongside a buffet, hog roast or BBQ.

As we draw towards the autumn nights and a roaring fire in our snug our upcoming events include:-

Pub Quiz & Pasta - Tuesday 5th September

Live Music & Open Mic Night - Tuesday 19th September

Harvest Supper with Hog Roast,

Cheese & Music - Friday 22nd September

And a heads-up for October:

Live Music with Ant McAndrew - Saturday 7th October

Cheese and Port Evening - Wednesday 11th October

With our best wishes, Oli, Emilie, Martyn and Chef David

Reflection for September 2017

Dear Friends,

Even though it's a long time since there have been any schoolchildren living in our house, I still get that back to school feeling every

September. As the still warm sun shines a little lower in the sky and dapples our homes and gardens, ripening the early autumn fruit, I always feel the stirrings of a new start in life; in fact it feels like the start of a new year to me.

As well as children starting school, or moving to new classes or travelling further to secondary school for the first time, young adults will

be preparing to move to university or starting work. Groups and classes which have enjoyed an August break will be starting again and in church we'll be getting ready for the richly filled, busy time of harvest, remembrance, Advent and Christmas (yes, it's not only supermarkets who start preparing for Christmas early!). This will be my first autumn in East Trent and I am looking forward to finding out what happens and

joining in.

This month we'll be celebrating the 60th anniversary of the ordination of Revd Canon Dendle French. Dendle and his wife Margaret are well loved members of our community and many of us have reason to be grateful to them and to celebrate Dendle's ministry. In All Saints Church Collingham, we're having a celebration service on September 24th at 11:00am. Everyone is very welcome to that service and to all our church services and activities.

Because it's the start of such a hectic time, I think it's a good idea to pray a prayer before we get too busy.

This is a prayer written by David Adam and it's good for this time of year or indeed every day.

*Grant us a vision Lord
To see what we can achieve
To reach out beyond ourselves
To share our lives with others
To stretch our capabilities
To increase our sense of purpose
To be aware of where we can help
To be sensitive to your Presence
To give heed to your constant call. Amen.*

This prayer is written by David Adam and taken from *The Book of a Thousand Prayers* by Angela Ashwin.

Have a good and blessed September,

Revd Mandy

There are lots of interesting things to spot at Langford at the moment including great waders such as blackwit, dunlin, wood sandpiper and whimbrel. Other birds include wren, lapwing, wheatear, a distant red kite, peregrine, avocets, green sandpiper and swifts.

Also spotted on Phase 2 are Caspian gulls (pictured here), yellow-legged gulls, cetti's warbler and two nuthatch in the woodland on the way to the car park.

The 2017 reed planting has got underway with our Friday crew and a team from the Environment Agency. 3700 seedlings were planted in today.

There is some major work ongoing with regard to the outfall sluice and Phase 3 restoration. Things are progressing well with both the outfall sluice and the Phase 3 restoration projects. The massive tilting weir that will form a key component of the outfall sluice arrived from the Netherlands last week and yesterday sections of the massive 2m

diameter pipe that will connect the reserve to the river arrived on site. The project is still running to time with an anticipated completion date sometime in October.

Work on Phase 3 is progressing quickly, with 3 bulldozers moving the massive quantities of soil around. Once reed is established the whole Phase will in theory be underwater during the winter months. Water levels will then mimic natural fluctuation. The wiggly island design provides plenty of 'edge', so there are plenty of feeding opportunities for bitterns, reed warblers, bearded tits etc... and the large overall area will mean that a range of species can nest/live there without being disturbed. This applies in particular to some of the more iconic species we aim to attract – marsh harrier and common cranes, which can require a few hundred metres of undisturbed habitat around their nest sites. Variations in the underwater topography will provide ideal habitats for a range

of fish species including the now critically endangered eels, which will hopefully enter the reserve through the outfall sluice.

The total restoration area of Phase 3 will cover about 45 hectares; the area covered by 360 Olympic swimming pools. That's big! Once the land forming is finished and the reedbed and associated habitats start developing over the next few years, Phase 3 will be drawing in a huge amount of reed-loving wildlife and will greatly enhance the brilliant wetland that we already have at Langford.

CALLING ALL READERS!

If you don't know anything about us but would like to find out more, then why not come to one of our meetings. We are a friendly, sociable group and by no means all expert gardeners.

We meet on the third Wednesday of the month at the Community Centre at 7.30pm. Visiting speakers are arranged to cover all aspects of gardening requested by our members. Sometimes they take the form of a travelogue; for example, the September meeting (Wednesday 20th) is entitled 'Patagonia and Beyond' presented by Angela Plumb. This is not her first visit and her slides capturing wildlife and plants are superb. Ian Wilson (686249)

WINTHORPE WITH LANGFORD PARISH COUNCIL

Although there isn't a Parish Council meeting in August, I thought I would update you on a couple of issues that have come through to the Council

As previously mentioned in Focal Point, the original planning permission for the burial site on Hargon Lane had lapsed. The Parish Council submitted a

new application to Newark and Sherwood District Council to site the burial area in the same location as previously granted. The Parish Council have been notified that the new permission has now been granted. The Council are happy to provide details if required.

The Council have been advised of a few attempted breakings to garden sheds in Winthorpe. If you see any unusual activities, please report them to the Police.

If there are any issues you wish to raise with the Parish Council, please email them to me on my new address:

Salsa Verde- Winthorpe Community Centre

Village ventures – Friday 6th October 2017

‘SALSA VERDE’ by Kate Bramley

World premiere of a new original comedy with music and dance.

Salsa Verde, or Green Sauce to give it a more local flavour, follows two different generations of characters where a romantic love-triangle seems destined to be repeated down the years. A wartime Bevan Boy and a navy recruit clash at the dance hall, as do another thoroughly modern duo fighting over the instructor at the local village hall Salsa night.

Classic Badapple comedy for all ages, with a bit of a song and a dance thrown in....

CHURCH NOTICES

I cannot believe I am writing these notes for a month with an 'R' in it – where does the time go?

August was a much quieter month where we welcomed Molly Porter into the church with her baptism.

The 'Open Church at Winthorpe' trial is ongoing and is being used which is most pleasing to see – not with large numbers, of course, but is an available option for anyone in the East Trent Group and beyond on a Thursday from 2-4 p.m.

We received an unexpected donation from the Winthorpe Festival for which we are most grateful. It has come at the perfect time as it will go towards buying a very long ladder to reach the very high lights and windows above and along the nave!

The Ride and Stride event takes place this year on Saturday September 9th to raise money for the repair of places of worship. More details are available at:- <http://www.rideandstrideuk.org/counties/nottinghamshire>

The porch will be open at All Saints for people to register and have some light refreshment.

I am giving early notice of the Harvest Supper which will be held this year on Saturday October 14th, 7 for 7.30 p.m. Tickets for the event are £8 and will be available to buy in September from members of the PCC.

We are thinking of all those who are unwell or mourning a loved one at this time.
