Ed's Comments

September 'Get involved' seems to be the underlying theme of this month's issue! Winthorpe and the surrounding area is a good place in which to get involved. There is a lot going on whatever your interests – gardening, church activities, sport, food, volunteering, WI, book clubs, a Scrabble Club, rambling etc. and wherever you go you can be assured of a warm welcome. It's a friendly environment!

One of the ways that I plan to get involved after reading all the articles in September's Focal Point is to do a bit of family research and remembering. The 'Wall of Remembrance' request for names of those who fought in WW1, whether or not they perished, made me think of my maternal grandfather and his brother, two young lads from a remote sheep farm in a Welsh valley. My grandfather, Jesse, survived and went on to be a successful banker and Methodist lay-preacher whereas his brother, Lloyd, died in battle. Who knows what he might have achieved had he lived. And what of the women left behind, like my favourite Aunt Ruth, who never married because their young men never returned? Have you got family members to research and add?

If you would like more details of anything going on and want to get more involved there is lots of information on the village website

GARDEN CLUB

We owe Julie Parker our grateful thanks for organising the outings in June and July. Both outings were beset with organisational problems but she overcame them with distinction.

Those who travelled agreed that both outings were hugely enjoyable. On the two day outing, the gardens at RHS Harlow Carr and Alnwick, the hotel, and superb food were marvellous. The only disappointment was the poor support.

The day trip to Stillingfleet Lodge Gardens and York Gate Gardens with an evening meal on the homeward journey was also met with unanimous praise.

Now on a more serious note, our programme secretary, Lynne Shapley has stepped down, having provided us with a good variety of speakers for some time. Speakers have been confirmed for some time ahead but unless someone volunteers to replace Lynne, we have a problem.

Speakers are a fundamental part of the club's activities and without an organiser, I can foresee the demise of the club.

In the meantime we resume our activities at the Community Centre on September 19th with a presentation by Douglas Bradbury entitled "The life and times of a farrier" Ian Wilson

The Village Phone Box

Following a request from the Parish Council for ideas, the old village phone box is in the process of being made into a book exchange, thanks to funding received from The Thomas Brewer Charity. This will enable the phone box to be refurbished and fitted out with shelving and new flooring etc. Village residents will then be able to swap their old books and once completed, it will be renamed "THE EXCHANGE."

In order to stock The Exchange we would like donations of your old paperbacks including novels, crime thrillers, or any other genre. So if you have any books that you wish to donate, they can be dropped off at 17 Pocklington Crescent and if there is no one at home, please leave donations in the box in the greenhouse. Thank you. Peter Bateson

GIANT SUNFLOWER COMPETITION

We hope everyone has been having a fantastic summer holiday, and enjoying the (mainly) good weather. We were so busy at the end of term that we forgot to write the last sunflower update – sorry!

How are your sunflowers looking?
Do you think you might have a winner?

Remember to measure your tallest sunflower as soon as the flower is fully formed – after flowering finishes (and the seeds start to form) the weight of the large head starts to bend the flower downwards. Measure from the soil level to the highest part of the flower. Keep a note of the height and e-mail it to us at:

winthorpesunflower@hotmail.co.uk

The competition closes on **Sunday 9th September**, but you can e-mail us as soon as you've measured your sunflower.

Please e-mail even if you're pretty sure it's not going to be a winner, as we'd like to know how many people took part and how they got on.

Photos would be great too – we usually make a slideshow of everyone's efforts for our visit to school to announce the winner – the children love seeing their photos up on the "big screen"!

GOOD LUCK! Liz & Charlie Ferreira

September Reflection 2018

Dear Friends,

Last month we were all shocked and saddened by the death of our friend Sylvia Lloyd. Her funeral on August 10th was a moving occasion with a very full church and her passing has affected people across our East Trent Group of Churches. She has certainly made a good and lasting difference in our community. I'd like to share with you some of my words from her final service in All Saints.

It was on a cold, dark, damp December evening in 2016 when I first met Sylvia. I'd just arrived here and I was being introduced to Winthorpe Church building. Sylvia didn't need to be there, but she was; she was there to welcome me and introduce herself and to assure me of her support. The last time I saw her was on a scorching hot July evening, at her home, where she was hosting the PCC meeting. I wrote about that meeting in last month's Focal Point.

In both those encounters, and every time in between, I met Sylvia as she really is.

Sylvia never failed to encourage me, through what she said, referring to something I'd said or done. She never failed to let me know how much she loved her family and how proud she was of them and she never failed to let me know how committed she was to church and community life.

She had a strong and clear Christian faith, which was lived out in very practical ways. Frequently she told me how important the power of prayer is and that I should never doubt or stop praying.

Sylvia cared passionately about our group of churches and told me that along with husband Keith she loved to go to services and events in other villages and together they loved singing in the united choir.

Sylvia's death has come suddenly and shockingly, but we can be heartened by knowing that she lived her life to the full right to the end. We can be encouraged by Sylvia's example to put our faith and trust in God, who through Jesus has opened wide the gates of heaven with the promise of eternal life and reunion with those we love.

God bless you.

GREAT NORTH RUN FOR CHILDREN'S LIVER DISEASE

On September 9th this year, I will be running together with my daughter Emily and son-in-law Dan in the Great North Run. Our aim is to raise £5000 for the Children's Liver Disease Foundation, an organisation which promotes research into rare children's liver disorders and provides support to children with these disorders and their families.

Our granddaughter Eleanor has a genetic disorder called Progressive Familial Intrahepatic Cholestasis. At the time of writing she is 20 months old. At some stage in her life she will need a liver transplant. Please give generously to our cause and read more about Eleanor's story at: www.justgiving.com/fundraising/emily-wong4 where you can donate online or you can simply drop your donation through our letter box in an envelope marked "For Eleanor".

Thank you for your support of this worthy cause. **Andrew Parkin**

WINTHORPE'S INVOLVEMENT IN THE CIVIL WAR

Can you use this letter which I downloaded, from Hansard, several years ago? It is written in Old English, but is still understandable. I have not done any corrections. I have always known that a cannon was brought down from York and was stationed in the hill close to Winthorpe churchyard. The bridge described was made up of pontoons joined together to form a means of crossing the River Trent. Pat Finn

Letter from the Earl of Rutland and Lord Montagu concerning the siege of Newark.1646. [HILL 39/3.] 14 March 1646

Winthorpe & District W.I.

What a wonderful summer we have had. Great to have the rain.

Due to road works on Woodlands, we had to advise the outreach Post Office and cancel the coffee morning. By the time you read this, the Post Office and the coffee morning will be up and running again and we look forward to seeing you all.

Our next meeting in the Village Hall is on Thursday 13th September at 7.30 pm, when the speaker will talk to us about the amazing work of the Medical Detection Dogs. There will also be charity merchandise for sale, a raffle and refreshments. Hostesses for the evening are Mary Harrop, Stella Hopewell and Barbara Nelson. I believe there have been a number of new residents in Winthorpe and you will be most welcome to come to our meetings.

As you read this, we will all have said our final good byes to Sylvia Lloyd, a past President and committed member of the W.I. You will be missed by all who knew you.

News from Langford Lowfields August/September

In the last month, the volunteers at Langford have started replanting 2,500 reeds, and have fenced off existing reeds to prevent them being eaten by the geese. We have undertaken a hay cut which resulted in 65 bales of hay and the volunteers have also been propagating aquatic plants such as water lilies to plant in Phase 2.

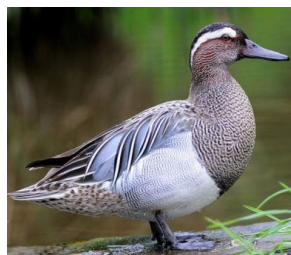

dunlin

Recent sightings include: black necked grebe, a bittern hanging out in the reeds, sanderling, dunlin, 22 black tailed godwits, 5 yellow legged gulls, garganey, caspian gulls, 2 Mediterranean gulls, and purple hair streak

butterflies in the woodland.

The weather has resulted in low water levels on the reserve, and it is quite peaceful at times.

garganey

We continue to offer bird boxes for a donation of £10, plus a selection of snacks and bottled water from the Beach Hut. We have some activities for children to do on the reserve – pond dipping as usual, plus some dragonfly hunting and colouring sheets. These are all located near the Beach Hut. And don't forget to check out our amazing Bug House!! There are still opportunities to volunteer with us, on the Beach Hut, in a meet and greet role. Get in touch if you feel you could offer a few hours a week for this – 01636 893611. **Angela Roberts**

CHARITY OF THOMAS BREWER

We will be holding the AGM of the Charity in the Community Centre at 7.30pm on Wednesday, 24th October. This is the chance to hear what the Charity has been doing over the last year.

Immediately prior to the AGM there will be a talk by Maddie Horrocks about her venture to Ecuador. We were able to help her in a small way to reach the total cost of the venture. Please see the poster. We hope you will come to her talk and then stay on for the short AGM.

We continue to have funds available to give financial help to residents of Winthorpe, Langford and Holme who are in need for whatever reason. If you know of any such persons please contact any one of the Trustees (full details on our dedicated page of the village website).

We can also make grants towards the cost of projects being carried out for the general benefit of residents of the parish, whether by individuals or organisations. For details of how to apply for project grant(s), see the village website or contact the Treasurer David Barthorpe.

The AGM provides the opportunity for the residents of Winthorpe, Langford and Holme (who have reached the age of majority – currently 18) to elect / re-elect those Trustees who are appointed annually at the AGM (currently these are David Barthorpe, Lee Cammack and Neil Moran). Margaret Stewart and I are nominated by the Parish Council and will serve until 2022. The Rev. Mandy Cartwright is an ex-officio Trustee and Tish Applewhite is a co-opted Trustee.

If you would like to stand for election as a Trustee please let me or David Barthorpe know of your intention to do so (in writing or by email) no later than 25th September.

We look forward to seeing you at the AGM.

Peter Foden, Secretary, peterfoden@btinternet.com.

“PROJECT ECUADOR 2018”

Talk by Maddie Horrocks

On Wednesday, 24th October at 7.30pm in the Community Centre Maddie Horrocks will give a talk about her expedition to Ecuador this year. The talk and Power Point presentation will be given just before the AGM of the Charity of Thomas Brewer.

The Charity was able to help Maddie reach the total cost of the expedition. This is what Maddie said in her application for financial help: “This summer I have been given the opportunity to travel to Ecuador where I will be volunteering for a month. The projects I will be working on are firstly environmental where I will be helping protect the animal habitats in forest Manquipucuna. Also, I will be promoting reforestation, water collection and management in the Amazon Rainforest. For a week I will be staying with the Kichwa community to help improve rural schooling. The exceptional trip also enables me to have the chance to visit the Galapagos Islands

where I will be studying the unique wildlife and see, as well as photograph, the impact our lifestyles have on these innocent species.”

There will be wine and nibbles during the evening. We hope you will come to hear Maddie’s talk and stay on for the short AGM to hear about other activities the Charity has been involved in. **Peter Foden**

CHURCH NOTICES

We welcomed Victoria Marshall into the church last month but very sadly had to say our goodbyes to Sylvia Lloyd. Sylvia had been involved in church life in so many ways; serving on the PCC which led to her organising the initial church cleaning rota, the flower ladies, the brass cleaning rota, altar flowers, Festival stall and reading lessons in church having organised the readers. Virtually any role in the church has, at some time, been filled by Sylvia. It was only in July that we managed to take a few of those jobs off her! Sylvia loved being part of the church in Winthorpe and was so capable; she led by example which kept us all on our toes! It was not only in All Saints that Sylvia helped for she played the piano for many ETG services over the years and also loved singing in the choir.

Sylvia was one of the most thoughtful, helpful and generous ladies you could ever wish to meet; she was, in fact, one of the “great” ladies of Winthorpe for she was part of so many organisations. They do not make them like that anymore and Sylvia will be irreplaceable at All Saints leaving a massive hole at the heart of our church.

Onto more mundane matters; the Ride and Stride event takes place this month on Saturday September 8th to raise money for the repair of places of worship. The porch will be open at All Saints for riders to register and have some light refreshment.

I am giving early notice of the Harvest Supper which will be held this year on Saturday October 20th , 7 for 7.30p.m. Tickets for the event are £8 and will be available to buy later in September from members of the PCC.

We are hoping villagers will answer Christine’s request in her earlier Notice here in FP, re the ‘Wall of Remembrance’ to be set up for our Remembrance Service on November 11th.
