**FOCAL POINT**

January 2022 Edition

ISSUE No. 492

Hiya!

Ahhhh! Probably at the time of publishing a few more days of 2021 will be left and then roll-on 2022. These last 2 years have been a whirlwind for many of us and have affected us in countless ways, but no matter how hard times have been you are still reading this and have survived your tough days. Well done, you should be so proud of yourself and I certainly am even if we haven't personally met. Keep your head up high, treat yourself, take care of yourself because **you DESERVE** it.

With that note, use that motto to guide you through 2022 as this year certainly will be filled with many challenges, that you **will** overcome and of course many opportunities along the way. "New year, new me!"

**NOTICES**

Make sure to check out Winthorpe village's website to keep up with all the latest news, as well as Holme village's website (not secure).

This year, I would also like to continue our QUOTE OF THE MONTH... I will start off this month's quote with the ultimate favourite quote that I heard maybe 6 months ago...

✨ ✨ ✨ **"We can't hate ourselves into a version of ourselves we can love."**  
- Lori Deschene

So, what are your plans for this New Year? What are your goals? Not specifically on finances, appearances etc but your mental goals, what growth would you like to see in yourself? Any dreams that you've been brushing aside? Consider this year to be THE year.

Stepping slightly back into the past, how was your Christmas? At the time of writing, Christmas is just under a fortnight away and I can definitely say I love seeing the Christmas spirit come to life.

My biggest goals this year is to better plan out my gardening strategy for this spring and maximise this year's harvest/ growth of those lovely beauties.

Have a great start to the New Year! Remember even if you don't have any goals or complete any of them, you're fabulous just the way you are.

**DEADLINE****FOR FEBRUARY'S EDITION  
JANUARY 21ST 2022**

You have been so generous recently with donations to the Foodbank. More than ever. Thank you very much to those of you who have given. You will have helped make Christmas a little less stressful for people struggling to make ends meet – always extra difficult this time of year. The Foodbank is very busy at the moment, and thanks to your generosity, and that of other like minded people in the Newark area, the Foodbank is well stocked.

Now the New Year is upon us, we will all have to brace ourselves for cost of living rises, so please carry on remembering the Foodbank when shopping. If anyone would like to make a direct donation, the necessary bank details for Newark Foodbank are:

CAF Bank Ltd. Sort code 40-52-40 Account no: 00027004

**MOST NEEDED this month are: tinned cold meats, sugar (500g packs if possible), instant mashed potato, peanut butter, jam, long life fruit juice, washing up liquid, washing tablets.**

Other items, e.g. biscuits, tinned veg., tinned fruit, tinned or microwavable sponge puddings etc., are always welcome. Please note that the Foodbank cannot accept out of date items, fresh food, or anything containing alcohol. The collection points in Winthorpe remain:

The shop at the Lord Nelson, during shop hours. Thank you, Susie and Emma, for allowing the pub to be used as a collection point. This has been very successful.

The black swing bin at the side of my front door, 11 Gainsborough Road, Winthorpe, **at any time at all**. The bin is checked every day.

The church porch. At the moment, the church is open 10-12noon on Sundays when there is a service taking place, and 1.30-3.30pm on a Thursday

**THANK YOU**  
Jane White

During the Pandemic and lockdowns, the Medical Centre remains open for our core NHS services, sadly non-NHS services and non-essential, i.e. Health Checks, Minor Ops and Travel Advice are suspended. We are currently operating a telephone appointment service where we ask a clinician to call you. Please do not attend the surgery unless you are invited by a clinician to do so, as we are staggering appointments throughout the day and different zones of the building to work in a COVID safe way. Please post Repeat slips and mail in our external letter box. Thank you.

Collingham Medical Centre has agreed to help support COVID booster vaccinations alongside the mass vaccination sites and pharmacies in Nottinghamshire for the Newark PCN and communities. We aim to deliver a large part of this campaign at weekends in order not to disrupt your general practice services during the working week.

Our communication with patients relies on current information. If your personal details change, including telephone numbers, please let the practice know. Thank you.

## THINK AGAIN— THE WINTHORPE RESIDENTS' A46 CONSULTATION GROUP

It is exactly one year since National Highways announced the two options for the Newark bypass. Winthorpe villagers quickly mobilised to form the Think Again group. Since then, the group has made great progress in responding to these proposals, communicating with the village, media, local authorities and our MP, and putting forward a proposal of our own. We await news of what National Highways will decide as their preferred route and prepare for the opportunity to engage with them on behalf of the village.

We were saddened to hear of the passing of Councillor Maureen Dobson who has been a staunch supporter of the group, and her energy and drive in championing and speaking on behalf of Winthorpe will be missed. Our deepest condolences to her family.

Progress on the dedicated Think Again web site continues with the intention of having a single point of information and communication available for the village.

## LIVE & LOCAL EVENT

Date for your diary - Live and Local event - 'Three men in a boat'  
Sunday 6th March 2022, Winthorpe Community Centre, 7.30pm

This show is adapted from one of the best-selling books of all time and one that has never been out of print since it was first published in 1889. It is a comedy about a journey up the River Thames but also shows us that society has changed little over the years in respect of our concerns and our enjoyment. The show also reminds us about the beauty of the world we live in and provides the audience with a sense of history surrounding this magnificent waterway.

"There are a few seriously funny books that remain great for all time. Three Men in a Boat is one of these" The Guardian.  
"Skilfully distilled from Jerome K. Jerome's comic masterpiece into 95 minutes of pure delight. A master class in confidence, stagecraft and delivery." Opening Night Review.

For tickets, please contact Helen Sharpe on 01636 650422.

## JANUARY'S RECIPE -VEGANUARY-

Thank you Jane for sending in this month's recipe!

*"Some of us may be still attempting to recover from/shrug off the excesses of the festive season and we have Veganuary to help us! I've been a vegetarian for over 35 years and regularly cook vegan recipes, both savoury and sweet. So, to assist our New Year resolutions to eat more healthily, a vegan recipe this month.... I love the contrast of the brightly jewelled pomegranate seeds against the earthiness of the mushrooms and lentils - Jane C*

### MUSHROOM & POMEGRANATE PIE

**Prep: 15 minutes Cook: 1½**

#### Ingredients:

**500g chestnut mushrooms**, halved if small, quartered if large  
**4 portobello mushrooms**, cut into 4 pieces  
**3 large banana shallots**, peeled and fairly finely chopped  
**45ml (3 tbsp) olive oil**  
**4 cloves garlic**, peeled and crushed  
**1 tsp flaky sea salt**, plus extra to scatter over the pastry  
**100ml pomegranate molasses**  
**5 tbsp pomegranate seeds**  
**250g cooked vacuum-packed puy lentils**  
**7 sheets filo pastry** (suitable for vegans)  
**2 tbsp olive oil**

Heat the oven to 150°C (130°C fan)/300°F/gas 2. Tip the mushrooms, shallots, oil, garlic and sea salt into a large, lidded casserole dish or roasting tin and gently stir to mix (you may need to use your hands.) Cover with the lid (or tightly with foil) and put in the oven to cook for one hour.

Take the dish out of the oven, remove the lid or foil and increase the heat to 200°C (180°C fan)/390°F/gas 6. Stir the pomegranate molasses, the pomegranate seeds and the lentils through the mushrooms.

Lay one of the seven sheets of filo over the mushrooms, then scrunch up the remaining six pieces and arrange them evenly over the top. Use a pastry brush to brush the oil all over the filo peaks and troughs, scatter generously with sea salt flakes, then return to the oven for 25 to 30 minutes, until the pastry is golden brown and crisp. Serve hot.

**Tip:** This is a meal in itself, but you could have some lightly dressed rocket or spinach on the side.

### SUPPORT BUSINESSES

We need YOUR support! Many businesses (especially local businesses in the community) rely on your vital support to continue their services. Share the community spirit and help local businesses!

## TRIBUTE

Thank you once again Ron for sending in this month's edition. That's ever so kind. I've been left speechless! Thank you. Since taking on the role of the editor of the FP, I've been left in awe of how kind all of you are across the three villages. I'm so proud to be part of such a welcoming community. If you're interested in sending in maybe next month's poem/ a piece for the FP's entertainment section: please email @ [winthorpefocalpoint@gmail.com](mailto:winthorpefocalpoint@gmail.com)

There is someone not far away  
Who brightens up our lives  
Puts in time and effort  
And the Focal Point arrives

Our Editor(of whom I speak)  
Is a teenager no less  
Whose energy and interests  
Make me dizzy I confess

Bees and plants and pottery  
She never seems to sleep  
Exams go by so easily  
And a strict deadline to keep

Just one full year into the post  
The FP's riding high  
It's content is increasing  
Is it any wonder why?

So I think it may be time  
Before we get too busy  
From all of us a thankyou  
As a tribute to our Lizzie

## SOMEBODY'S MOTHER

Ooooh we've been delighted to present TWO poems this edition. Thank you to Joan B for sending in this month's joint poem. I absolutely love the imagery and the winter setting. However, most of all, I love the main message of spreading love and care not just to loved ones, neighbours etc, but also to complete strangers. Your one act of kindness could remind them that there's hope in their tough times or at least put a smile on their face. –Lizzie (Ed)

The woman was old and ragged & grey,  
bent by the chill of the winters day.  
The streets were wet with the falling snow  
and the womans feet were old and slow.  
She stood at the crossings and waited, long  
alone uncared for amid the throng.

At last glad in the freedom from school let out  
came the boys like a flock of sheep,  
hailing the snow piling white and deep,  
then came one of the merry group,  
and the youngest laddies of all the troop,  
He came beside her and whispered low,  
I'll help you cross if you wish to go.  
He guided those trembling feet along,  
glad that his own were fun and strong.  
Then back again to his friends he went,  
his young heart happy and well content.  
She's somebodies mother, boys you know  
Although she's poor, old and slow  
And I hope some fellow will lend a hand  
To help my mother if she should stand  
At a crossing weary old and grey  
When her own dear boy is far away

And somebodies mother bowed low her head,  
In her home that night,  
And the prayer she said was,  
God be kind to the dear young boy,  
Who's somebodies' son, and pride and joy.

## LANGFORD CHURCH & CHURCHYARD NEWS

St Bartholomew's community is looking forward to events in 2022 to open the church and churchyard in different ways to the community.

Last year we had three lively garden working parties and will continue this throughout the year. St Bartholomew gardens are looking well-kept and inviting to visitors. Donations of bulbs very welcome, the two new trees are lovely.

The church is cleaned on a Saturday prior to the monthly Sunday morning service, this provides an opportunity for coffee and conversation.

In the Spring we will have a garden picnic and activity over Eastertime. Ideas for activities very welcome.

We will be starting some sewing projects in the Spring. Creative ideas for tablecloths and a wall hanging, including colours and designs, very welcome! More details and dates in February Focal Point.

## JANUARY'S REFLECTIONS

Dear Friends,

What does January mean for you? It can be a jumble of emotions can't it? We can be excited about plans for a new year, hopeful about making new resolutions and sometimes at the same time, feel sad about the people we love who won't see 2022 and maybe regret past decisions. This year we still face uncertainty and anxiety about the pandemic and some of us are recovering from disease ourselves.

In the rectory, we're hopefully expectant in a very special way. For us, this month means the birth of our first grandchild, and that brings with it another jumble of emotions.

The birth of a child brings hope, happiness, some worry and a lot of disruption. New parents' lives are turned upside down and changed forever. As Johnny Mathis sang:

*All across the land, dawns a brand new morn,  
This comes to pass, when a child is born.*

The Christmas season focuses on the birth of a child. When Jesus was born, our world was turned upside down and changed forever. His birth brought hope, happiness and expectation, uncertainty and reassurance, regret about what's not so good and challenge to change things for the better.

Thinking about Jesus might cause yet another jumble of emotions, but that's ok. If you'd like to talk about that, please get in touch.

I've got some ideas for New Year resolutions as well: Keep up with my vaccinations against Covid, keep trying to protect myself and others from infection and keep trying to follow Jesus. How about you?

Have a very happy and blessed New Year.  
*Revd Mandy.*

## ST. GILES HOLME CHURCH NOTICES

Hello from St Giles Church Holme,

The Christmas Celebrations will be over when you read this. We hope that you managed to get into the church during December, possibly for the Carol Service or just to enjoy the quiet ambience of the place and maybe write something that's on your mind on a card to hang on the Christmas Tree. The tree will remain in church until mid-January so with the church open most days, there's still a chance to pop in. We hope that you have enjoyed the outside lighting of the church and the tree. Again, thanks are due to Lesley Blundy and the Holme Bank Land Trust. Holme is one of the very few churches around Newark which is floodlit over Christmas with an illuminated tree.

At the time of writing, we are still in the process of sorting out the date for the Wassail singing of Medieval Carols. We hope that this will be around the time of Candlemas Day which is in early February. Instruments that would have been used at the time will be used, and there will be some of the old customs enacted to create a medieval atmosphere. There will be posters around the village about this event as soon as the arrangements are finalised.

The recent gales and high winds earlier in the year played havoc with the clay pan tiles on the twin roof gables of the church. Most of the problems are inside the valley and therefore cannot be seen from the ground. Richard Edlin of Edlin Roofing, based here in Holme, has come to our rescue and has replaced dislodged tiles and is in the process of making repairs to the damaged felt and is obtaining new tiles where ones have been broken. With the weather likely to become more unsettled due to global warming, the problem is going to get worse and we are delighted that Richard is going to make regular checks up on the roof to make good any problems that occur. He is providing his services at no cost to the church and we are most grateful to him for doing this and ensuring that this most important and visited building in the area is kept dry.

Our next service will be on Sunday 2<sup>nd</sup> January and all are welcome to come and sing in the New Year!

Kind regards, take care and keep safe,

Nigel Priestley and Doreen Hallam.

CHURCH NOTICES

A very happy New Year to all! I hope everyone was able to be with family/friends at Christmas and that 2022 brings us better health and more happiness into all our lives.

We started our Christmas services off with a wonderful Christingle led by Mandy and organised by Sandra which included 16 children of various ages. It was so good to see so many young ones in the pews! As I write these very early notes for January I cannot comment on all the other planned events but I do hope they were enjoyed by everyone who attended.

Back to 'normal' services this month which always makes January seem so quiet!

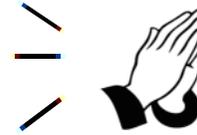

A Brochure and Covering letter will be delivered to Winthorpe residents this month as we run our Promise Programme again, it being five years since the last one. We hope you look favourably upon us and are able to support us in any way you can.

We are thinking in our prayers for anyone in the villages who are ill, hospitalised or suffering a bereavement at this time.

## BYE FOR NOW!

Thanks for stopping by! I hope that you check in online next month. Let me know (Lizzie, your FP Editor) if you have any suggestions for future editions. And don't forget to tell others about the online copies, especially if they want to see it in COLOUR!

## BUT BEFORE YOU GO...

Let your fellow village friends and family know that there is an online edition available on Winthorpe village's website.
