March 2022 Edition

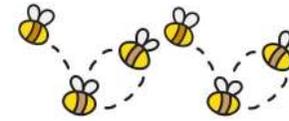

FOCAL POINT

ISSUE No. 494

Hiya!

Wow. First of all, thank you ever so much for all of your beautiful and heart warming messages. I really do appreciate all of your support and best wishes. We kindly have people interested in the role, but I will reveal more in April's edition (my last edition as editor).

How has February been for you?

I hope winter has offered you some stunning morning views or some cozy winter nights. Spring will be officially here at the end of this month. Personally, as I always say the build up to spring and summer is very exciting and view nature blossoming and flourishing.

NOTICES

Make sure to check out Winthorpe village's website to keep up with all the latest news, as well as Holme village's website (not secure).

I'm starting to sow some seeds ready for summer's harvest as well as simply watch the growth of these green beauties. Maybe I should try and switch things up a bit by trying to grow honeydew as a challenge. My Mum and I have also signed up for a beekeeping course to expand our knowledge on bees and their fascinating world. What are your spring plans this year?

Here's the quote of the month below... If you have any quotes that you would like to be included in April's edition, please do let me know.

DEADLINE

FOR APRIL'S EDITION
MARCH 18TH 2022

NEWARK FOODBANK

The Foodbank distribution centre has moved. It now operates from 21 Cartergate Newark and is part of Newark Community Support. Hopefully this will help the Foodbank develop new ways of providing for the needs of people referred to them, including an in house supermarket where Foodbank vouchers can be used. Also being more central, the Foodbank will be more accessible.

The contributions our villages collect are needed more than ever. We were able to donate **54.9kg** in November and a fantastic **92.2kg** in December. Thank you so much. However, since the new year, donations at our collection points are down. I know we will all have to brace ourselves for soaring prices and inflation, but please remember that this hits the most vulnerable hardest, often pushing people from just about managing to falling in real poverty. This should not be happening in this country in 2022.

If you feel able to donate food or toiletries, the collection points in Winthorpe remain the same:

The basket in the shop area at the Lord Nelson pub during opening hours.

The black swing bin at the side of my front door, 11 Gainsborough Road, Winthorpe **at any time at all**. The bin is checked every day.

Winthorpe church porch. At the moment the church is open 10-12noon on Sundays when there is a service taking place, and most Thursdays, 1.30-3.30pm.

If anyone would like to make a direct donation, the necessary bank details are:

CAF Bank Ltd. sort code 40-52-40 Account No. 00027004

The items most needed this month are:

Sugar, cereal, breakfast bars, tinned meat to serve hot e.g. meat pies, stew etc., soap, shampoo, toothpaste, strong shopping bags.

Always needed are tinned or microwaveable sponge puddings, instant mashed potato, tinned vegetables, tinned fruit, jam, custard, peanut butter.

Please note that the Foodbank is unable to accept out of date items, fresh food or anything containing alcohol.

Thank you for your continuing support.

As Focal Point goes to press, National Highways (NH) have announced their preferred route on **Thursday 24th** February. The information will be uploaded to the NH website, and it is expected that the households who received postal communication last time will again receive an information pack. We understand that physical copies will be sent to the Lord Nelson at Winthorpe for people to view (available from Thursday 24th) for those who are unable to access the material online. The information is accessible on this site – <https://nationalhighways.co.uk/our-work/east-midlands/a46-newark-bypass/>

Also it has been confirmed that NH representatives will be in the Lord Nelson car park between 9 am and 1pm on **Thursday 3rd March**. WINTHORPE WITH LANGFORD PARISH COUNCIL

On Thursday 24th February 2022, the Parish Council held its monthly Parish Council meeting in the village hall.

The meeting was attended by a large number of village residents who wanted to raise the issue of the amended planning application at Winthorpe House. There was a strong feeling that this should be objected to for a number of reasons. The Council discussed this at length and decided to support the objections and is to write to NSDC Planning Department accordingly.

The Council also discussed the announcement from National Highways over their proposed route for the A46 around Newark. National Highways are proposing Option 2 “modified” which is fundamentally their original Option 2 but with changes to the road structure around Winthorpe. Further details can be found on the National Highways website.

Villagers will have the opportunity to discuss this with National Highways representatives at a meeting in the Lord Nelson on Friday 3rd March between 9:00 am and 1:00 pm.

The Parish Council is looking for someone to take over the auditing of its accounts, and those of Focal Point following the decision by Duncan Richardson to step down from this role.

The Council would like to thank Duncan for his many years of service in this role. If anyone is interested in taking over this role, please contact me. You do not need to be a qualified auditor but only to have a financial background.

Mrs Sally Sillery – Parish Clerk

Following feedback from the recent Parish Council survey we are currently looking at ways to improve our level of communication to residents. With this in mind, we have recently started a Winthorpe with Langford 'Twitter Account'. Those of you who use Twitter can access the site by using: <https://twitter.com/withparish?s=11> For those of you who don't, maybe now is the time to take a look? You can follow our account for all the latest news and information in and around the parish, including local planning applications, information on Parish Council meetings and progress on our 'Neighbourhood Plan'. We look forward to getting feedback on the account and any additional content you would like to see.

Winthorpe with Langford Neighbourhood Plan Update:

Work is continuing on the development of the Neighbourhood Plan for the Parish. To help shape continued progress, meetings have been organised to ensure we get everybody's input for firstly **Tuesday 15 March** 10.30 am to 12.00 for those available during the day, and secondly **Wednesday 23 March** from 7 pm until 8.30 for the evening crowd in the main hall at the Winthorpe Community Centre. This is a really important time in the development of the plan and so please put these dates in your diary as your contributions and support would be greatly appreciated.

WINTHORPE SUMMER FESTIVAL 2022

On Saturday 25th June, we can hopefully look forward to a sunny afternoon where we can come together as a community and enjoy the Summer Festival once again!

We will have the usual mix of stalls, exhibitions, displays, entertainment, sports and refreshments. The Scarecrow competition will provide a fun activity for individuals, for a family or as entry by a village organisation. The choice of what to create is entirely up to you. There is no theme or category, so please put your thinking caps on and give it a try! Details of how to enter will be in April's edition.

WINTHORPE COMMUNITY CENTRE CHARITY

The Trustees met last October following the full re-opening of the Centre and went through a summary of the work done to the building during lockdown. It was agreed to purchase smaller tables for the meeting room and these are now in place. Maintenance work has also begun on the bank following a contribution from the Parish Council.

Since then the fundraising committee have planned a comedy production called "3 men in a boat" for 6 March 2022. Trustees have dropped flyers round the village and villagers are encouraged to support this event, that will in turn help to support the Community Centre Charity. Tickets are £12 on the door but please ring Helen on 01636 650422 to let her know.

Finally, you may have seen a Nottinghamshire Caravan Club Rally at the Community Centre on 11-13 February. 39 Caravans and Motorhomes attended and it was great to see 100 people having a sit down meal for a valentines dinner/dance. (See photo).

In addition to contributing over £500 to the Community Centre Charity, over 40 campers used the pub/shop and the local bus service, which is good for the village.

Thank You

MARCH'S RECIPE -PANCAKE DAY-

Thank you Jane for sending in this month's recipe!

"And another season begins. 1st March is Shrove Tuesday (or Pancake Day) and was traditionally about using up all the rich ingredients in the larder before the start of Lent and fasting. For a change, how about making these light and fluffy ricotta pancakes; they are a delicious treat. Serve them with fresh blueberries, toasted coconut flakes and a drizzle of maple syrup." - Jane C

COCONUT & RICOTTA PANCAKES

Mix the ricotta, egg yolks, coconut milk, flour, polenta and baking powder together in a bowl to make a smooth pancake batter.

Whisk the egg whites until stiff peaks form when the whisk is removed from the bowl. Fold the egg whites gently through the ricotta mixture.

Heat the oil and butter in a non-stick frying pan over a medium heat and add heaped tablespoons of the mixture, allowing room for spread. Cook for a few minutes on each side, until nicely golden brown and cooked through. Keep the cooked pancakes warm while you use up the remaining mixture.

To serve, cook the blueberries with 2 tablespoons of maple syrup in the frying pan over a low heat for 4 to 5 minutes, until the blueberries have softened and glazed in the maple syrup.

Serve the pancakes with the softened blueberries, toasted coconut flakes and the remaining maple syrup.

Prep: about 30 minutes
Cook: 10 – 30 minutes
Makes 8

Ingredients:

- 300g ricotta
- 4 free-range eggs, separated
- 175ml coconut milk
- 100g/3½oz plain flour
- 25g/1oz fine polenta
- 1 tsp baking powder
- a dash of oil
- a knob of butter

To serve:

- 150g fresh blueberries
- 4 tbsp maple syrup
- 4 tbsp toasted coconut flakes

WINTHORPE GARDEN CLUB

- NATURE & JAPANESE LIFE -

Introduced by Ian Wilson, our visitor was Patsy Rayner, who gave us a great insight into the Japanese way of life & their fascination with nature.

Family connections led Patsy to visit Japan many times, as a result she produced some wonderful slide. Although we think of Japan as Tokyo & being busy, much of the country is essentially a farming area, with the people having a great interest in nature & plants.

Shinto is the worship of nature... "Pine trees live a thousand years, but morning glory but a day!" Okinawa has subtropical plants, whilst Northern Japan can be deep in snow!

Plum blossom features alongside many cherry varieties, with Iris, Wisteria & Cosmos sown from light aircraft (often planted in paddy fields with rice).

Tsakiyana... landscape gardens are often seen, with Karesanui which are rock gardens & Cha-niwa that are tea gardens all over the country.

One Japanese quote was; .. "Amidst the beauty of the scene & the silence, I was filled with wonderful peace"

I know the members found this a very informative & interesting evening, with many wonderful pictures. As usual, the evening closed with a quiz by Pat Finn.

Next Meeting: March 16th when the speaker will be David Wood,

ST. GILES

HOLME

CHURCH NOTICES

Hello from St Giles Church Holme,

First of all, we owe our readers an apology. Sadly, we had to take the decision to postpone the Wassail singing event until next year due to concerns at the time of the spread of infection. So we now be planning an evening in the period after Christmas and before Candlemas where we will led by musicians using similar instruments to those used at the time, and there will be some of the old customs enacted to create a medieval atmosphere.

You may have noticed the abundance of the new daffodils that have come through, and will no doubt be in flower over the next few weeks. Due to the relatively mild winter things are moving on and we have already given the churchyard grass the first cut of the year. Starting after the first service in March the stone mason Jason Henfrey will start work on the porch floor which is to be re-laid as it is currently in a bad state and we look forward to getting this job started after a number of delays. Consequently, there will be very limited access to the building while this is going on so please observe the signs.

The recent storms have again given us problems with the tiles but otherwise there is no evidence of any serious damage. On a brighter note, with the lighter days, and spring like weather, the visitors are coming back and have left some comments of appreciation in the visitors' book. It's very gratifying to know that such a rich building with all its history and intrigue still gives so much pleasure to people in such unsettling times. We are delighted that Holme church is open to visitors on most days and we are most grateful to the couple who enable this.

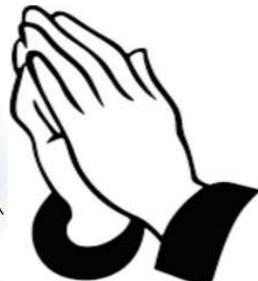

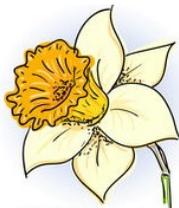

Our next service will be on Sunday 6th March and all are welcome to come and join in.

Kind regards, take care and enjoy the spring,

Nigel Priestley and Doreen Hallam.

MARCH'S REFLECTIONS

Dear Friends,

As spring unfurls I hope we all take time to enjoy the flowers, especially in our churchyards which are real treasure houses of different species – how many can you spot?

Spring heralds Easter, so why not take some time to think about what Easter is about beyond chocolate eggs, delicious as they are!

Here are some things for you to join in:

We have our regular church services in Winthorpe, Holme and Langford and it will be lovely to see you there. Remember that churches are made up of people, so why not start getting more involved?

Wednesday 2nd March is Ash Wednesday, when Lent begins. Come along to our service at St John's Collingham at 7:30pm, an opportunity to think about some of the big questions of life and death and receive an ash cross on your forehead.

On Tuesday mornings at 10am we're thinking about the "Stations of the Cross" at our Communion services in Collingham parish churches. This means we think about some of the things which happened to Jesus between his trial and death. If you've ever thought about injustice, the use of power, life and death, friendship, kindness, parenting, cruelty and compassion, there'll be something for you.

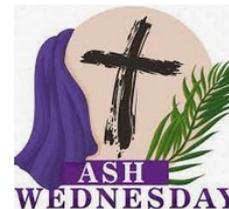

On Thursday afternoons, we have our Lent Course (it's not so hard as it sounds!). This year we're focusing on *what justice means to God and how pursuing justice is something that God intends to be hopeful, healing and freeing for us all*. It's based on the book *Embracing Justice* by Isabelle Hamley and as we meet together, hopefully we will discover more about how we can be part of transforming our world. Meetings are at 2pm in the Methodist Church Foyer, beginning on March 10th.

On Saturday 16th April (Easter Eve), there's a Confirmation service at Southwell Minster. If you are ten years old or over (no upper age limit), and you'd like to think about being confirmed, have a word with me. We'll do some preparation through Lent.

May you be richly blessed through this Lent.

God bless you,

Revd Mandy.

CHURCH NOTICES

As I write these notes (before Storm Eunice hits us this afternoon), I looked back at last March and this is what I began with... 'Here we are two weeks into Lent with no live church services to talk about just virtual ones (which are great, I must add!) Vaccinations in full flow at the Showground- what a well organised operation. Well done and thank you to the NHS! '... So much has happened this last year to get us nearly back to normal!

All the February Services went ahead as planned and we look forward to Lent starting early this month and with the expectation that all planned Lent and Easter Services will also take place.

Hopefully we will again invite the village to create **Easter Gardens** and have them displayed at church. More on that in next month's issue.

Finally, early notification of our APCM which will be in church on Wednesday, April 27th at 7.15p.m.

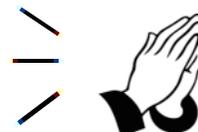

Please remember in your prayers any villager who is ill, hospitalised or facing a bereavement at this time.
