

Winthorpe Residents A46 Consultation Group

Who we are

This group arose out of the plans released by Highways England on the 9th December 2020 regarding two options for the A46 bypass at Newark.

There were two immediate concerns:

- Firstly, inadequacies regarding the length of consultation period.
- Secondly, concerns about the actual routes being proposed and their negative impact on the conservation village of Winthorpe.

We are operating in our capacity as concerned residents, some of whom are more directly impacted than others. The core group consists of the following eight members:

Sarah-Jane Page

Christopher Neal

Louise Blyth

Paul Smith

Mark Kneen

Phil Farmer

Andy Leary

Andrew Parkin

This group is separate to the Parish Council but our activities will be reported back to the Parish Council.

Our Aim

The Group is built around a common goal of highlighting the damaging impact of the current design to the conservation village of Winthorpe and to explore other options that Highways England has not fully considered.

Updates

If you would like to join our e-mailing list to receive regular updates about our activities, please email A46WinthorpeVillage@outlook.com. We will post updates on this page too.

Get involved

If you too are willing to devote time to this campaign, drawing on the skills set that you can bring to the table, then you are more than welcome to join the core group.
