

THINK AGAIN

A46 NEWARK BYPASS

Dear Winthorpe Resident,

Happy New Year! As the consultation period for the proposed changes to the A46 closes on **2nd February**, we wanted to update you as the '**THINK AGAIN**' Winthorpe Residents' A46 Consultation group gains momentum.

**This group has been formed by concerned residents
to protect our village.**

You can now find more information about who we are, how the group came together and our immediate aims **on the village website**. Please click '**Media**' and '**A46 Bypass information**' to find out more. Here you will also see how we are working alongside the Parish Council.

On the village website you will also find a **detailed consolidated report** which summarises what we are campaigning for.

**Our request is that YOU RESPOND
to the Highways England Consultation ASAP.**

**We believe NEITHER OPTION is suitable for
Winthorpe and we're asking Highways England to:**

THINK AGAIN.

There are two ways in which you can respond to the Highways England Consultation;

1) Online at <https://highwaysengland.citizenspace.com/he/a46-newark-bypass-options/consultation/subpage.2020-02-21.0366670353>

2) Via a hardcopy form with free-post envelope. You should have received a copy of this through the post but if you have not received a pack or have misplaced your copy **please email or call us and we will deliver a pack to your house.**

We would love to invite you to join our mailing list and would love to hear from you if you have any further questions or concerns.

The **THINK AGAIN** Winthorpe Residents' Group.
