Ed's Comments

As the days get longer and the sun shines more everything comes to life.

Trees are full of blossom and emerging leaves. Swallows have returned and various birds are nesting – some chicks have already hatched. Butterflies flutter from flower to flower, competing with the bees for sweet scented nectar.

Gardeners are out too, even ones like me who are fair-weather gardeners. Allotments are being dug and prepared to receive baby plants once the danger of late frosts is over.

Motorbikes are brought out of garages and sheds, polished until they gleam and given their first outing of the year. The owners of classic and vintage cars bravely don their hats and scarves and take to the road with roofs down.

There are boats on the River Trent; their occupants waving cheerfully at those strolling along the banks. Families are out walking and bike riding at weekends. We are even brave enough to sit outside to eat or have a coffee (or something stronger) and watch the world go by. The best thing is that as we enjoy it all; we see and talk to people we haven't seen for weeks or even months since the dark winter days set in. No wonder there are so many songs and poems praising the month of May! Enjoy it!

FROM THE AREA DEAN

Dear all,

I don't know about you, but for me at least, it's been rather a discombobulating month. Easter, with all its preparation, anticipation, drama and excitement, has come and gone. Good Friday will have been a highlight for many. It was great to be with you at this time. The drama of the Final Hour and our sense of loss will be a powerful memory. Bishop Paul has been exemplary in sharing time with others over the Easter period - showing us one of the most precious gifts we can give one another - our time. The hospitality, celebrating the light coming into church (the day the clocks changed!) will last long in my memory. In many churches on Easter Day the lit Pascal candle will have been symbolically presented to the congregation, the Light of Christ again being at the heart of our Christian experience. Too quickly an Easter lunch, followed by tea and supper, obligatory Easter Eggs, a bank holiday, school holidays and for some an escape to a holiday location took over and "phew" what happened to Easter?

This will be my last article for the magazine as I retire as Area Dean at the end of the extraordinary month of April. The new Area Dean, Revd. Canon Mark Adams, will be appointed in September, until then Archdeacon David Picken will be the Acting Area Dean. Louise Riley will continue to do her amazing job, managing the administration of the Deanery as well as serving Balderton and Barnby church communities. Louise has been a fabulous support to me during my time as Area Dean. Thank you Louise you are a Star. I go on three months study leave on the 1st May. Louise will continue to work from the Rectory at Farndon on the usual telephone and email numbers until further notice. I will return to the United Benefice of Farndon, Thorpe, Hawton and Cotham at the beginning of August. It has been a privilege being part of the Winthorpe and East Trent family - midweek and Sundays from time to time; it's been a blast - thank you all !

In conclusion as we enter the month of May, heralded by another bank holiday, my prayer is that as we look forward to Pentecost and the coming of the comforter, the Holy Spirit, we are able to hold the Light of Christ front and centre in all we do, say, think and pray.

In Christian Love **David Milner**

GARDEN CLUB AGM

The A.G.M. was held in the Community Centre on Wednesday 20th April and was well attended. All committee members, apart from the treasurer, were reappointed for a further term. After eight years in the role, Sylvia Lloyd stood down as treasurer and was presented with a bouquet of flowers as thanks for her much appreciated work. Christine Patterson has agreed to be the club's new treasurer.

Julie Parker described the outings that had been enjoyed by members throughout the year and took time to tempt us with those planned for the future. Outings are always open to family and friends too.

Lynne Shapley listed the forthcoming speakers for this year and asked for other suggestions for future years.

Ian Wilson, president, outlined the health of the club and expressed a need for the continuing support from members and our welcome to others who may wish to come and see what goes on! Meetings are held on the third Wednesday of each month (not July and August) from 7.30 until 9 ish. Come along and try us out and meet a host of new and old friends!

The speaker for the meeting on 18th May will be Tony Garthwaite whose speciality is orchids. He will doing a re-potting demonstration and a problem solving Q&A session. Tony will also have special orchid potting compost for sale, convenient for anyone who wishes to pot only a few plants. Guests and new members, as well as all old friends, are welcome in the Community Centre at 7.30 for the first of a new year's programme.

Open Country Garden

Broadcaster and speaker, Stuart Dixon invites you to Hebbs Farmhouse at Stoke Bardolph on Sunday 26th June from 2-6 pm. Cost of admission is £3.50 and children are free. Teas and plants are on sale with all proceeds for local charities. Let's hope for a fine afternoon.

GIANT SUNFLOWER COMPETITION

How are your sunflowers doing? You should have some nice little plants starting to grow – remember to take good care of them so that they can grow as tall and healthy as possible. You might be coming home with a trophy in September! Our boys couldn't plant their seeds on Easter Sunday because we went away with our extended family for two weeks in the school holidays and would not have had a plant babysitter. We have planted them now and will have to give them extra love and attention to get them to catch up!

As the tiny plants start to get taller, they can be quite floppy and will need some support. Using a plastic tie, loosely fasten your plants to a small split cane. If the plants are on a windowsill they will bend towards the sunlight. To keep them straight, half turn the pots every day. Remember, the straighter the plant, the taller it will be! Once the plants are about 10cm high, you can think about moving them outside (assuming our wonderful British weather isn't doing anything too crazy!).

Put them against the wall of your house for a couple of days to 'harden off' before transplanting them to larger pots or into a border. Can you think of any creative containers or places to plant your sunflowers? Just remember that they need plenty of sunshine and good drainage (if in a pot or container).

We would love to see some photos of you looking after your plants, and share them on the school website and here in the Focal Point – you can e-mail them to: winthorpesunflower@hotmail.co.uk

It's been a strange few weeks here at Langford as we either seem to be basking in glorious sunshine or getting cold and wet in rain or hail storms! This however, hasn't deterred the birds and spring is definitely advancing as we have had first records of a number of our migrants in the last couple of weeks. Of the warblers, chiffchaff, willow warbler, sedge warbler and blackcap are now back on site and singing away with the dawn chorus. Little ringed plovers have returned, yellow wagtail have been recorded and the sand martins are busy excavating nest holes in the bank – currently around 25 holes are in preparation!

We have had some interesting birds passing through as well, with 3 black-tailed godwits, wheatear, rock pipit and sandwich tern – all species we don't see here that often!

In the coming weeks we await the return of our other breeding warbler species and it won't be long now before we are hearing our first cuckoos, with birds on their way north as I type!

Our volunteers have been busy as ever in the last month with a major project to renovate the polytunnel. This has involved stripping all the old plastic and re-covering it with a new sheet, repairing the doors and building some new reed propagation bays. Our

Re-vamped polytunnel ready to go! Photo – Jenny Wallace

polytunnel operation supports our reed planting programme on site by providing us with around 25,000 reed seedlings per year, so is a vital component of our habitat creation work here for bitterns, marsh harriers, bearded tits and more.

We are currently looking for volunteers to join our Beach Hut team. If you have a few hours to spare each week, enjoy meeting people and

helping others to engage with nature and can offer a professional but friendly welcome to visitors please get in touch – you may also increase your bittern spotting chances ☺! For further information about how you can join our volunteer team or for regular updates on our work here at Langford Lowfields, have a look at our website at

TWO POEMS BY JIM GOODWIN

MIDGES

In your garden or a country lane
They'll be there to bother you again.
Midges will be seen in flight
Especially on a balmy night.
They are no good to man or beast
They will be looking for a feast.

Some of these flies may then alight
To find a tender place to bite!
Maybe get beneath your clothes
How they do it no one knows.
Sometimes if caught upon the wing
We can dispatch the hateful thing.
But there are always millions more
To follow on their nasty chore.
They will leave spots that can be seen
An itch to tell where they have been.
It's the only way that we will know
We will seldom see them come or go.
If you can catch one swat it dead!
It could be heading for your bed.
And when you get in there tonight

Take my tip, the thing will bite!

SWEETER MEAT

Insects fly around the place
Try to land upon your face
Or any other part they see
They go for you and not for me.
So when you put it to the test
They know where the meat is best!
I can understand their great attraction
It also gives me satisfaction.
The insects think you are the loot.
But me, well, I am just old boot

Not worth the trouble of a bite
So why bother to alight?
When very close perhaps they'll find
Food of a much better kind.
Just as we go for a fine wine
They go for sweetness every time.

Winthorpe Summer Festival 2016

The Summer Festival will be held on Saturday 23rd July at the Community Centre. There will be a Family Fundraising Bike Ride in the morning, with the Festival following on in the afternoon.

We will be holding the usual public meeting in the Community Centre meeting room on Wednesday 25th May at 7.30pm. We would like to invite representatives from all village organisations and any other interested parties to attend. If you have any ideas or suggestions for us, even if you have not been involved in the past, then please come along and be part of our village event! If you know of anyone who would like a stall to sell their wares, then please ask them to get in touch!

A FULL HOUSE FOR HOWDEN JONES

Members of the village and friends enjoyed an evening of song and laughter at The Village Hall on Sunday 3rd April.

Howdenjones' second visit to Winthorpe was a great success.

They loved our hall with its bell

and clock and especially the resident 'owl' and we enjoyed their music and stories. Thanks to all those who came and with their consumption of wine helped to raise funds for the Village Hall.

22 April 2016

Hello Everyone,

We have all enjoyed a lovely 2 week break over the Easter period and are now back in school and raring to go. Forgive me if say this at the beginning of every term, but the summer term is always one of our busiest with a very wide range of activities taking place amongst the hard work and assessments.

The national assessments for our Year 6 children (our oldest) and our Year 2s begin in May and even our Year 1 children who are only 5/6 years old sit a national phonics test in June. We take every care to ensure that whilst the children work very hard to achieve their best that they do not feel pressurised by these assessments. Be reassured that the children are quite used to doing similar assessments throughout the year and some even look forward to them! It is part of their everyday schooling.

Our Monday Club Night after school starts up again and this term we're offering crafts/picnic decorations, dance and keep fit, rounders, ball skills, violin, netball and 'mad' science. The children thoroughly enjoy these extra-curricular activities and I am grateful to staff for running these clubs voluntarily.

Many of the local secondary schools will be visiting us over the next few weeks to help our Year 6 children with their transition to secondary

school in September and we look forward to welcoming them and ensuring that our pupils are as prepared as they possibly can be by the end of this academic year.

Our residential trip this year will be to Cober Hill which is based near Scarborough. It is a fantastic week away for our older children and I will let you have a taste of what they will be doing when I write next time round, once the final programme is agreed.

Our PTA will shortly be advertising details of the Car Boot Sale that will be taking place on the school grounds on Saturday 21st May from 2-4pm. I hope you will join us for the afternoon and come and have a look at

what bargains there will be for sale and have a cup of tea and a cake, or maybe you would like to bring a car and sell items yourself? We are asking for £5 per car/pitch, or a donation of a minimum of £5. It is the first time that the PTA has tried anything of this nature and so we look forward to seeing how it works!

If you're not busy on Wednesday 25th May, why not come up and join us for our next Community Lunch? The cost will be slightly more than usual I'm afraid as the cost of dinners has increased since 1st April and will now be £2.66 per person. Lunch will be served at 12 noon – please call the office on 01636 680060 if you'd like to come along. We hope to see you there.

Best Wishes,

Caron Ementon (Head Teacher)

Winthorpe & District W.I.

Happy Birthday to Winthorpe & District W.I.!

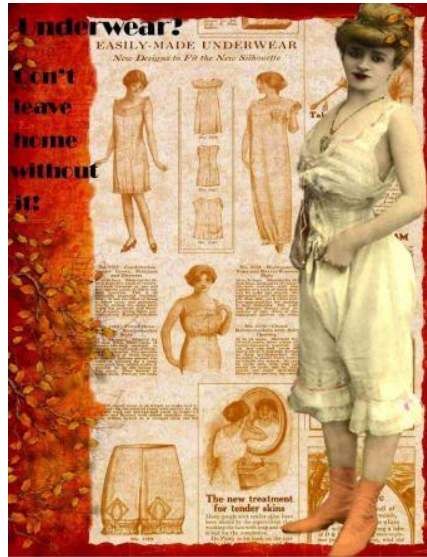

Our President, Virginia Seager, welcomed 26 of us, including Dys Gold, a founder member, to our 62nd birthday party. A delicious fish and chip supper was served along with a dessert and, of course, a glass of wine or two.

The speaker for the evening was Maggie Allan, who gave a very interesting and humorous talk on corsets and camis, swimsuits and smiles which was all about vintage underwear. Her display of undergarments, beautifully made, brought back memories of items worn by our grandmothers, mothers and in some instances ourselves. The raffle was drawn with an excellent assortment of prizes to be won.

The vote of thanks was given by the President, Mrs. Virginia Seager.

Members were reminded of the forthcoming Tea and Cake Afternoon in the Village Hall on Saturday 23rd April 2016 to celebrate the Queen's 90th Birthday. A suggested date for the meal at the Lord Nelson Pub, Besthorpe is Tuesday 14th June 2016.

The next meeting will be held on Thursday 12th May 2016 in the Village Hall. This will be the Resolutions Meeting, along with a sale table. The hostesses will be Elaine Bradbury, June Taylor and Sue Reynolds. Diana Kitson

Spring 2016 aboard n.b. Mulberry

The new season is upon us, but with a referendum and several family weddings, I don't think we will be going far. Thankfully, the River Trent, and its extension of the Trent and Mersey Canal, makes an interesting boating route.

Several hours up river, at Gunthorpe, there are safe moorings and, importantly, a good pub for a meal. We are missing our Lord Nelson in Winthorpe very much and so we will satisfy our needs at one of the riverside restaurants. Moving on up, we intend to shop at Sainsbury's in

Nottingham at our second night out. By the next evening we will be at Sawley and the gateway choices for the canal system. From there we can be in Loughborough or Burton with ease and exploring can begin.

WINTHORPE WITH LANGFORD PARISH COUNCIL

On Thursday 21st April 2016, the Parish Council held its quarterly finance and monthly meeting in the village hall.

The Council received an update on the “Outreach Solution” regarding the viability of a “temporary” Post Office in the village. The next step in the process is for this to go to public consultation between 14th April and 26th May 2016.

If you wish to raise any issues or concerns, details of who to contact have been placed on the village notice boards.

Notts County Council has informed the Parish Council that residents now need to register to use the County’s recycling centres. This can be done on line at: nottinghamshire.gov.uk/registerstorecycle or by phone on 0300 500 80 80.

As you may be aware, the defibrillator has now been placed in a yellow lockable cabinet on the village hall wall to the right hand side of the door. To access the cabinet, type in the access code (**CY543**) and turn the handle clockwise.

The defibrillator is stored in a bag and as it is battery powered, it can be taken directly to the incident. Instructions on how to use the defibrillator are in the bag.

The Village has a new community Police Woman called Katie Hyde. Details of how to contact Katie will be placed on the village notice boards shortly.

Training for using the speed gun will commence shortly but more volunteers are needed. If anyone is interested, who has not already expressed an interest, please contact the Parish Council.

ALL SAINTS WINTHORPE CHURCH NOTICES

We have another fund raiser coming up next month for our "facilities fund". This is advance notice and we don't have all the details yet, but it will be on Friday 10th of June in the evening, as part of the Queen's official 90th birthday celebrations weekend, and we will be transported back in time by the Lincoln based group '1685'. An evening of early music guaranteed to lift the spirits and put a spring in your step. If you are a devotee of early music, or if you want to see what it is all about, or if you just want to support our cause then please do come along. Tickets will be available shortly and can be reserved from any PCC member. If you are not sure who our PCC members are, please call Ian and Christine Hasman on 01636 679105, or e-mail i.hasman@ntlworld.com (just so you know - we are members of the PCC.)

In April we had the AGM of the PCC in the village hall. Once again the only people present were the members of the PCC. The AGM is your chance to have a say in how our church is run and what direction you want it to go in. We need your support to keep our church alive and well, serving our community. Please don't let it go the way of the village shop. You can also show your support by turning up to one of our services, you will be made most welcome. Finally, we wish Margaret Bark well and hope that she'll soon be better and back amongst us.
