### Ed's Comments

**I never know how Focal Point will turn out!**

Each issue is so different and depends very much on your contributions and what is happening in the villages and surrounding areas.

This month I have had two requests for information. These prompted me to do the necessary research to come up with the answers! The first query was about the 'Robin Hood' flag flying daily from the Winthorpe flagpole. Not being sure who flies the flag now I made a guess that it was the Chairman of the Parish Council, Lee Cammack. I was right- he had indeed inherited the role and his reply was, "The Parish Council felt it was a shame to have a flagpole without a flag flying so we purchased the county flag of Nottinghamshire to fly most of the time. The Union flag and George Cross flags will still fly on "official" flag flying days. I have received a lot of positive comments saying what a good idea it is to have a flag flying at the entrance to the village."

The second request was for information about the closure of Woodlands. Pat Finn helped with this and Nottinghamshire County Council were amazing in their response to my enquiries. I have included details on page 17 for anyone who is interested and am happy to reassure everyone that there is no work in progress at weekends so that there should be no disruption to the main event in Winthorpe in July which is the Summer Festival on 1st July. Much of this issue is devoted to telling you about the various events which are happening on that day.

Be there and have fun!

## Another idea for gooseberries

As the fruit in my garden swells and hangs in abundance I again go to my recipe book to look for an inventive way to encourage my family to eat yet another portion. Many years ago, while Estonia was still in the USSR, we travelled to Tallinn and sampled this delicious cake in a central coffee shop. My interpretation is very simple and is great hot with custard or cool with cream.

Turn your oven on to 200°C, gas 6, and then start. Grease a Swiss roll tin and arrange fruit on the tin. Put in the oven while you mix together 100g (4oz) SR flour, 100g sugar, 100g soft margarine and 2 eggs. Beat well then spread over the hot fruit. Cook until the sponge is risen and golden brown, about 20 minutes. If you are serving it cold leave it to cool in the pan. Serve upside down - yummy!

## Reflection July 2017

**Dear friends,**

In May and June we were rocked by the news of atrocious, murderous attacks in Manchester and London, in Egypt and Kabul. The attacks came fast, one after another so that words of horror and condemnation were quickly used up.

Maybe you know someone who was injured or who just avoided being in a place of danger. Maybe you know someone who lives nearby the attack sites. Maybe you've breathed a sigh of relief that children or grandchildren are safe but maybe you've spent some time thinking *what if....where next?*

Such brutal, calculated violence has a devastating effect and can be disorientating. Maybe it's like being spun around until we're face to face with a new reality which is divided, unpredictable and dangerous.

So how do we respond? Should we carry on as normal, refusing to let *them* win?

Or should we do something different?

If we choose to welcome fear, anger and vengeance, we are in danger of colluding with terrorists, letting them take control by reacting in the

way they've intended.

We shouldn't deny fear and anxiety and national security measures must be taken and implicated very seriously; however the division, unpredictability and danger is not the only reality.

As the news has spun us around, we've also come face to face with great courage and the generous giving of sacrificial help. We've come face to face with crowds of men, women and children who were determined to stand together in defiance of evil intent to cause division, fear and death. So which way are we going to face? As a Christian priest at baptisms, it's my duty to ask parents and Godparents if they are ready to turn away from everything that separates us from God and neighbour and if they are ready to turn to Jesus Christ. This is an important part of being a Christian.

Being a Christian doesn't bring any easy answers to violent hatred, guarantees of safety or freedom from fear, but it does give us a focus on life giving love, love which brought Jesus back from the dead and which transforms our life now.

May I encourage you to pray for all victims of violence, for our security forces and for hateful hearts and minds to turn away from violence.

May I encourage you also to be active in kindness, friendship and helpfulness and to do all you can to help build up our community.

God bless you,

**Revd Mandy**

## A HOLIDAY IN JORDAN

I spent the last week in April on holiday in Jordan which was a fascinating and quite thought provoking experience.

The first thing most people ask is was it safe ? The answer to that is yes. There was obviously high security everywhere. We all got used to bags being scanned and armed police. There was a tourist policeman with our group. He was very useful when we needed to cross the road ! But everybody was very friendly and anxious that we had a good impression of the country.

Everybody thinks of Jordan as Petra and Indiana Jones ! There is so much more. We stood where Moses stood to see the Promised Land. We visited Bethany where Christ was baptised and stood by the Jordan looking into Israel. We saw Petra which was started 10,000 B.C; Roman ruins, crusader castles and the desert with the Seven Pillars of Wisdom where we expected Lawrence of Arabia to appear over the horizon. We finished with (for the brave!) a dip in the Dead Sea.

However the thing that will stay with me was how tolerant they are as a society. Our guide proudly told us it did matter if you were Muslim or Christian they were all Jordanians. We saw women in everything from western dress to fully veiled all enjoying freedoms we take for granted here and all mixing together without any problem or segregation. This

was particularly noticeable with the younger generation

They are not a wealthy country (we saw signs of wealth but also extreme poverty) but they are coping with between two to three million refugees, making sure they are properly looked after and trying to integrate them into the country. They are getting on with,

living with and dealing with the problem.

I am very pleased I went: maybe not a true holiday but an unforgettable experience. **Frances Kelly**

## Community Centre, Jubilee Walk

The eagle eyed amongst you may have noticed that the bank side near to the Community Centre is slowly being developed into a wild flower area.

I would like to send out a huge thanks to all the volunteers that turned up at the end of May to help weed out some of those persistent weeds by the steps. I would also like to mention all the hard work that Steve Rowland from the Community service team has done over the last year; this has been invaluable. Also many thanks for all the donations of snow drop bulbs.

The long term plan is to develop an area fit for wildlife that will be enjoyed by all the village. We are concentrating on a small area to start off with but in time we are hoping the flowers will spread over the rest of the bank side.

We are desperate for more volunteers to occasionally pop up and weed any small area. If you do have any spare time available please contact Amanda Ramsay at Dolls Cottage, Gainsborough Road or any member of the committee for information. **Amanda Ramsey**

Dear All,

There have been lots of exciting things happening at Winthorpe Primary School over the past few weeks. We've been on days out, residential trips, played lots of different sports and worked really hard!

Last week Class 4 went on a very exciting 4 day residential trip to Paris. Unfortunately the Paris terrorist attack meant that they weren't able to explore the Paris landmarks, but they were able to have another day at Disneyland instead which went some way to making up for it! They had a great time on all the rides and put their French language skills to good use, ordering food and buying gifts. Everybody had a fantastic time. The Year 6's really deserved this trip for all of their hard work this year. They completed the end of Key Stage 2 tests in May and everyone at school has been impressed by their effort and hard work.

Class 2 also enjoyed a day trip to a Butterfly and Nature Park as part of their Mini-beast topic. They got see lots of beautiful insects and animals which helped them understand different creatures and habitats. They have produced some fantastic work back at school on mini-beasts, including some very detailed fact files.

We finally managed to collect enough drinks bottles to build our recycled bottle greenhouse! Thank you to the Rotary Club and Waitrose for their support in purchasing and constructing the wooden frame and to all the villagers who helped us collect the 100's of bottles required! We've built some raised beds and have filled them with a variety of fruit and vegetables.

The school has started an exciting few months of renovation and improvements. Inside, the Hall has been freshened up and decorated and all ceilings and lights in the entire building will be replaced over the summer holidays. This will instantly improve the learning environment and enable us to start a phased redecorating program throughout the school. Outside, a new trim trail and play area will be built to replace the trim trail that was condemned last summer. This has been funded by our incredibly hard working PTA group, and we are incredibly grateful for their efforts. Miss Blake's outside Early Years Foundation Stage area will also be completely renovated and redesigned to make a stimulating new play environment for our youngest children.

We will also be installing a new perimeter fence around the grounds to help secure the site and keep us all safe.

**It's our annual PTA fundraiser, the Summer Sizzler on Friday 14th July, at school, starting at 6:00pm. It would be great to see you all there!** Rob Cook (Head Teacher)

#### **A BIG "THANK YOU" TO THE LORD NELSON**

Barbara was 80 on June 9th and I arranged a surprise garden party on the following day for family, friends, neighbours and members of the many clubs etc. that Barbara belongs to.

In late January I contacted Oli at the Lord Nelson to see if they would be interested in doing the catering. Despite not having previously done outside catering she agreed that, for the village, she would give it a go.

In the event they provided a cold buffet and BBQ to cater for about 80 guests, including crockery, cutlery, a BBQ attendant and four waitresses. The food was brought from the pub in a refrigerated van to ensure that it remained fresh throughout the meal. The food was superb and commented on very favourably by all the guests. The waitresses were friendly and helpful, ensuring that everyone's glass was well filled throughout the day. One of the directors, Em, ran the show and Oli and David both attended and helped.

I organised the party in great secrecy and despite up to 100 people, including guests, knowing about it Barbara was in the dark until the marquee arrived the day before.

The party was very enjoyable and successful and in no small part due to the excellent support from Oli and all the staff at the Lord Nelson. David Woodcock

# GIANT SUNFLOWER COMPETITION

It is now well over two months since our junior gardeners planted their sunflower seeds – how are your plants coming along? They should be outside now, with canes to support them as they grow. Keep an eye out for the tiny flower bud forming and growing as we head towards the summer holidays.

We are lucky to have had some excellent sunny and warm weather recently, so make sure that you are keeping your plants well-watered. Keep thinking about the winner's trophy you could be bringing home in September!

Remember that your sunflowers will also benefit from some extra 'food' – the liquid feed you buy for tomatoes is the right stuff, and many of our past winners have said they gave their sunflowers a weekly dose.

If you're lucky enough to be going away during the summer holidays, now is the time to think about friends or neighbours who can look after your plants for you. What 'good turn' could you do for them to say "thank you"?

The work being carried out on Woodlands is footway resurfacing and repairing. Two crossing points are being constructed to assist wheelchairs and pushchairs etc. These two crossing points will be on the side roads of Nos. 5 to 17 and 21 to 55. They will be similar to the one opposite the old Post Office on Gainsborough Road. No repairs are planned for the road. Working times will be from 08.30 to 15.30, Monday to Friday. During this time the road is open for access only and the contractors are aware of the events which are happening in the Community Centre. Thank you to those who helped with information. Ed

This month the volunteers have been mowing the reserve, cutting through the fast growing grasses and making it much neater!

We are holding a 'Wildflowers and Butterflies' guided walk as part of the National Meadows Day on Saturday 1 July 2017 – 10.00am – 1.00pm. This is a pre bookable event – via 01636 893611. Join the Site Manager for a guided walk around Langford Lowfields as part of National Meadows Day. Check out the birds, wildflowers and butterflies along

There have also been lots of dragonflies - banded demoiselles, common blue damselflies and smart hairy dragonfly. Bat's identified on the bat detector workshop were Common pipistrelle, noctule and Daubenton's.

Lots of lovely wildflowers are becoming visible on the reserve including orchids and grass vetchling.

the way. Please bring clothing suitable for the weather and strong footwear. Cost: £5.00 adult non-member / £2.50 child non-member £4.00 adult member / £2.00 child member.

We are looking for volunteers to help us open and close our Beach Hut based on the reserve. We are looking for someone who enjoys being at the reserve and who would be able to open and close the hut doors, talk to people who visit, pointing them in the right direction around the area and record any sightings. You do not have to be an expert 'birder', rather just enjoy being outside and an occasional chat. Hours can be any length and we are looking for various days of the week and weekends. Please call 01636 893611 if this appeals to you to discuss the role in more detail. **Angela Roberts**

Dear folks,

Wishing you a very happy July.

You'll see we currently have scaffolding up over the brook and a new kitchen roof is being created as we speak (the pub lost its battle to ivy quite some time ago) but there will be no disruption to our normal service.

June saw us host our first wedding reception and external catering event so we've had a busy month. We also hosted a fabulous gin night with Bob Ratcliffe of The Bottle Drinks Co and Ann (et Vin). Guests were offered a menu of ten different gins with botanics and mixers, alongside a charcuterie supper. These events are proving super popular and we'll continue to offer them.

We're delighted to sponsor the Village Scarecrow competition for the Winthorpe Summer Festival on Saturday 1st July, and the pub will be open as usual so we hope you'll come and join us for a drink afterwards.

We're moving Sunset Yoga to a monthly event and Les will be hosting the next yoga session on Wednesday 28th June (and then Wednesday 12th July) at 6:30pm.

Our big event for the July - and a celebration of our one-year anniversary - is "Winfest" on Saturday 15th July, a charitable fundraiser for Beaumond House Hospice (£2 entry) masterminded by Neil Moran. There'll be live music from 1pm to 1am, a cask and craft ale bar and BBQ. The pub will also be serving food all day as usual.

We'll have strawberries and cream on the menu in support of Wimbledon Tennis final on Sunday 16th July.

One of the first decisions by the Directors when we took over the lease was that we would be 100% family-friendly, and that children and dogs would be welcome. For us, the pub is at its best when it's full of families, tiny humans and canines. Our aim is to run a lovely, welcoming pub for the village and our customers. We make decisions very carefully based on feedback received and in the wake of recent complaints, we're instigating an 8pm cut-off for children under the age of 12. This excludes dining families but we'd ask that children stay at the table after 8pm. We are always happy to discuss ideas or issues with our clients, so please don't hesitate to reach out to any of the Directors at any time.

Wishing you all a fantastic summer. Oli, Emilie, Chef David and Martyn

## **Winthorpe & District W.I.**

What a colourful evening we had on June 8th! Sue Burton certainly gave us ideas on how to alter the look of an outfit. Our next meeting is on 13th July at

Frances' garden (weather permitting) where we shall enjoy strawberries and cream with a glass of wine. This is our summer social. There will be a raffle, possibly a quiz and may be a game or two. We then have a break in August and meet again on 14th September. Our speaker for September is from Sibley's butchers in Newark.

Don't forget the Village Festival on 1st July. Have a go at the different competitions on offer. I wish you all a happy holiday.

# WINTHORPE WITH LANGFORD PARISH COUNCIL

On Thursday 15th June 2017, the Parish Council held its monthly Parish Council meeting in the village hall.

The Parish Councils accounts for 2016/2017 are available to be viewed. Details of how to obtain copies have been posted on the village notice boards.

The second defibrillator is now in location to the Community Centre Wall. The access code is C159X. The emergency services have been notified of its location and have the access code.

As mentioned in the last edition of Focal Point, the original planning permission for the burial site on Hargon Lane has lapsed. The Parish Council has submitted a new application to Newark and Sherwood District Council to site the burial area in the same location as previously granted. The Parish Council are happy to provide details if required.

The Parish Council has received an email from Newark & Sherwood District Council about the new Dog Control Powers. In September this year their Dog Control Powers will change slightly. Dog Control Orders will be repealed and replaced by Public Space Protection Orders. As part of this process the District Council is required to review all existing Dog Control Orders to establish if they are still relevant and necessary. As part of this consultation process they are inviting all the Parishes who have Dog Control Orders declared within their Parish to complete a questionnaire so that they can evaluate their views on how successful they have been in managing and promoting responsible dog walking.

The proposed Public Space Protection Order consultation document and a full list of existing Dog Control Orders can be found on the website:

### CHURCH NOTICES

As I write these notes the temperature has improved by nearly ten degrees so I presume this is Summer! I hope you are able to get out and enjoy the sunshine.

We have a lot to look forward to in church this month; as well as the regular services we also have a Baptism **and** a Wedding!

As mentioned last month the Village Festival is on the 1st July, where, if I may remind everyone, the church will be running a tombola stall. If you would like to contribute items for this please pass on to Sylvia Lloyd (Woodlands), Joan Lord (Gainsborough Rd), Sandra Cobb (Pocklington) Christine Hasman (Spinney) or myself. Anything would be very much appreciated.

The Open Churches weekend is on the 8th/9th July this year, where the church will be open for everyone to visit from 10 a.m. until 2 p.m. on the Saturday and from 10.30 (for service) until 4 p.m. on the Sunday. There will be a display about the life of the **Revd Edward Handley** who paid for the church to be built in 1886. There will also be advice available on how to trace family history in the area from East Trent Genealogy ([www.easttrengenealogy.co.uk](http://www.easttrengenealogy.co.uk)). Refreshments will also be available. We look forward to welcoming anyone who would like to visit.

Our thoughts are still with Alec and Margaret Stewart as they battle against their illnesses and also with Elaine and Andrew Parkin whose granddaughter, Eleanor, is fighting against hers. We pray for anyone else who is unwell or in hospital at this time.
