Ed's Comments

**I have seen the 'Litter Fairy!'** Yes, really, and I haven't been on the red wine!

She was at the top of Gainsborough Road last week and had long blond hair and was carrying a wand (long handled litter-picker) and a magic sack (of black plastic). She and a tiny fairy in a small chariot were scouring the verges for not-so-hidden treasure and carefully bagging it to take back to dispose of in Fairyland. When I returned with my camera a few minutes later she had gone. Thank you to the fairy who, I'm sure, would prefer to remain anonymous. I wonder if she was inspired by the 'Litter Scarecrow' who won this year's Scarecrow Competition (see p 6)!

That brings me to the Summer Festival. I'm so sorry to have missed it but am still able to enjoy it by reading all the reports here in Focal Point. We are so lucky to have people who are good at organising things in Winthorpe. There are hours and hours of preparation for every event which happens in a community and although the event seems to pass in a flash, we still have our memories. Thank you to all who made the day possible, especially Sue and Tish and thank you to Pat Finn for taking lots of photos for the Village website, some of which appear in these pages.

August is one of my favourite months because there are so few commitments. As a child I loved not having to go to school. Even though I liked school it was good to be able to **choose** what I did and that feeling has stayed with me all through my life. As you will see from the calendar, there are very few of our regular clubs and meetings on in August so I hope you enjoy choosing to do different things instead like I will!

## Summer Festival 2018

On behalf of the Festival Committee, I would like to thank everyone involved in the above event on the 30th June. In preparation - from raising the bunting and sign, to the running of stalls, games, sports, art and photography exhibitions, displays, raffle and refreshments, then staying to clear up afterwards! All those who made a contribution of time and effort, however big or small, ensured another great day!

Thanks again to The Lord Nelson pub for sponsoring the Scarecrow Competition and to Emilie and the team for judging the entries. Although it was disappointing that we had fewer entries than last year, we are not giving up! So let's look forward to lots more families giving it a

go.... and remember it's just for fun! The winners this year were Chris and Les Murray with 'The Rubbish Scarecrow'.

Thanks to The Bridge Street Stompers who entertained us brilliantly

during the afternoon.

Also to The Firecrackers Cheerleading Squad, who wowed us with their routines!

The displays by the Winthorpe Line Dancers and Eva Katai's Zumba class were also greatly appreciated by everyone,

so many thanks to them!

Finally, thank you to everyone who came to support the Festival and spend money! I hope you had a good time. **Sue Mashedor**

# WINTHORPE VILLAGE FESTIVAL 2018

With the very hot weather, several people were concerned that the festival would not be so well attended.... However, we had a great day and must thank all who supported the event.

A particular 'Thank You' to all the people who not only bought tickets for the village raffle, but generously donated the prizes, including The Lord Nelson Pub, with a first prize of a steak night for two which was won by Rita Smith of Newark.

Also, many thanks to all those who supported the stall held by The Newark Stroke and Aphasia Group.

Thanks also to the local Classic Car enthusiasts who helped us once again to put on a good display which was very varied .....from a 1948 Bedford Lorry to a brand new 2018 Ferrari!

We must not forget to thank all the other helpers behind the scenes but particularly Sue Masheder and Tish Applewhite for all their organising and arranging for many months beforehand.

A big 'Thank You' to you all!

David and Vivienne Green

## Winthorpe & District W.I.

What wonderful weather we had for the Village Festival. We hope all those that came had a great time. Winthorpe W.I. are grateful to all who supported our various stalls and enjoyed the refreshments.

We do not have a meeting in August. Our next meeting is on Thursday 13th September when we will hear all about the wonderful work Medical Detection Dogs can do. There will also be Charity Merchandise for sale. Hostesses for the evening are Mary Harrop, Stella Hopewell and Barbara Nelson. October 11th is the story of the Poppy. If you would like to come along to either of these two meetings you will be made most welcome. *Virginia Seager (President)*

## Winthorpe Photographic Challenge

A big thank you to all who took up the challenge and entered pictures for this year's competition. The theme this year was 'Happy Days' and we certainly had some interesting interpretations - just what we like to see! The standard of entry was very high and proved very popular with Festival goers.

*Amanda Ramsey with some of the photographs* Congratulations must go to our winner, Ann Maffessanti, who polled the greatest number of votes - very well done! She becomes this year's champion.

**Les Murray & Amanda Ramsay**

**Thank you to the generous folk of Winthorpe Village.**

**The Children's Society** box collection raised £257. Well done. I will not be collecting and counting the boxes next year but the scheme will continue so keep saving your change.

**Summer Tea Party.** Members of the Look Ahead Group joined us and helped to raise £275 for the MY SIGHT Appeal. A very enjoyable and successful occasion in the welcome cool of the village hall.

Many thanks to all who helped and contributed to these events.

### **GREAT NORTH RUN FOR CHILDREN'S LIVER DISEASE**

On September 9th this year, I will be running together with my daughter Emily and son-in-law Dan in the Great North Run. Our aim is to raise £5000 for the Children's Liver Disease Foundation, an organisation which promotes research into rare children's liver disorders and provides support to children with these disorders and their families.

Our granddaughter Eleanor has a genetic disorder called Progressive Familial Intrahepatic Cholestasis.

At the time of writing she is 20 months old. At some stage in her life she will need a liver transplant. Please give generously to our cause and read more about Eleanor's story at: [www.justgiving.com/fundraising/emily-wong4](http://www.justgiving.com/fundraising/emily-wong4) where you can donate online or you can simply drop your donation through our letter box in an envelope marked "For Eleanor".

Thank you for your support of this worthy cause. **Andrew Parkin**  
The Old Rectory, 48, Gainsborough Road, Winthorpe.

### **THANK YOU**

We would like to say a very big thank you to everyone who has kindly given us a lift since we had to give up driving. Two years ago we nearly moved away from Winthorpe. We are now very glad we stayed. Thank you all very much! **Jean and Peter Foden**

## August Reflection

**Dear friends,**

One of my favourite ancient authors wrote '*O God, you are my God, I seek you, my soul thirsts for you; my flesh faints for you, as in a dry and weary land where there is no water.*'\*

This summer we've all found out what it means to live in a dry land where there is less water than usual. At the July meeting of the PCC (parochial church council), we decided to sit outside and

began our meeting discussing the heat, sipping cold drinks and hoping for a cooler night and refreshing sleep. We pondered the possibilities of doing a rain dance and praying for rain before beginning our meeting proper, as we always do, with a prayer. I asked God for his help and guidance in the meeting, I asked him to sustain us in the heat wave and I cautiously asked him for refreshing rain in due time.

Having prayed, we duly got started on our business, but soon we were distracted by darker clouds overhead and rain on the horizon. '*Oh, that's the other side of the river,*' we said dismissively, '*it won't come near us.*' We carried on, then someone thought they felt a drop of rain but we ignored it. Our thoughts were interrupted when a breeze blew up and threatened to snatch away our papers. '*It's nothing,*' we said, '*it won't come to anything,*' but then it was something. We all felt drops of rain, we hastened to rescue the plate of biscuits and we scurried inside.

Well, in one way it didn't come to much. The large drops of rain evaporated as they hit the ground and soon there was no sign of them, but they had made a big difference to our meeting.

Refreshed and surprised, we looked forward to autumn and all the good things which that season brings. With enthusiasm and laughter we shared ideas for Harvest, All Saints tide, Remembrance and Christmas (yes, I know it's only August, but we do have to think about it now!).

Our energies were renewed and suddenly new things were possible. It felt like God had awoken us, reminded us that he's here and cares about us. To be honest, it felt like God was smiling affectionately on Winthorpe village and all the business of our church council.

I don't know what you are longing for this month, but why not try praying about it? Like me, you might just be surprised.

God bless you, **Revd Mandy**

\*if you're interested in where the above quote comes from, it's from the book of Psalms in the Bible. Psalm 63 verse 1.

## THE LORD NELSON

**Dear folks,**

Yay for this amazing weather!  
We're loving the sunshine and  
have a beer garden full of happy  
peeps every evening.

We've revised our summer menu  
to keep our regulars happy, and our honey, thyme and rosemary baked  
goats cheese with crispy garlic croutons, and wild boar and plum  
sausages have been flying out of the kitchen.

**We have some great events coming up in August:**

- Tuesday 7th August: Pub Quiz & Pasta
- Tuesday 14th August: Bingo & Bangers
- Saturday 18th August: Italian night! Bellissima wood-fired pizzas from our new pizza oven (made by the fair and creative hands of Chef David) and delicious pasta dishes. Tables must be booked in advance. Please enquire at the bar. Grazie.
- Tuesday 21st August: Live Music and Open Mic Night
- Sunday 26th August: Annual Charitable Duck Races. From 4pm. BBQ and bouncy castle.
- Monday 27th August: Special Bank Holiday opening

**And a couple of heads-up notes for September:-**

- On Friday 21st September, we'll be hosting our annual Harvest Supper - and this year it will incorporate a Fundraising auction for the Lancaster Bomber Sculpture being built on the Lincs/Notts border, just 4 miles from the pub. An auction of fabulous prizes will be hosted by BBC Radio Lincs' Melvyn "In the Morning" Prior. Tickets £10 to include Hog Roast & BBQ supper.
- And whilst we try to keep the pub open at all times for our regulars and drop-in customers, on Saturday 8th September the pub will be closed from 2pm for a private wedding.

We look forward to welcoming you to the Nelson very soon.

Best wishes,

Oli, Emilie, Martyn & Chef David The Lord Nelson Directors

**July 2018**

There are lots of six-spot burnet moths on the wing at the moment. Their larval food plant is birds-foot trefoil, which probably explains why there are so many of them on the reserve!

Water levels are being dropped in Phase 1 at the moment, this in turn is drawing water out of the High Level Water Carrier and Phase 3. We want to lower water levels in Phase 3 to make it easier for the

new water control sluice to be installed later this summer and also to allow access to the islands for reed planting in September.

There still appears to be otter activity around the Silt Lagoons (where two were recently filmed mating) with otter-munched freshwater mussel shells and fresh scat being found in the vicinity.

There are lots of chicks around at the moment, with young lapwing, young black-headed gulls and cootlings all wandering around on the newly exposed muddy areas of Phase 1.

Keep your eyes on the big ash tree near the car park for purple hairstreak butterflies.

The common spotted orchids that were transplanted last year from the restoration area and moved up close to our storage containers have settled in well and have flowered already this year. In other exciting orchid news, southern marsh orchids have been found for the first time growing on the edges of the nectar-rich flower area next to the car park.

There are still opportunities to volunteer with us, on the Beach Hut, in a meet and greet role. Get in touch if you feel you could offer a few hours a week for this – 01636 893611. **Angela Roberts**

## SILENT BELLS

I am sad to report that the bells of All Saints, Winthorpe have fallen silent again. The number of people in the band has fallen to such a low level that we could only continue to ring with the help of people from other churches/communities. It is unfair of us to expect them to continue their efforts to keep our ringing going when they have their own towers to support. Once more the bells of Winthorpe will be silent

apart from visiting ringers and the occasional special occasion. If interest in the bells picks up then we will be able to ring again, but for now they will remain silent. This is not the end of ringing at Winthorpe; the bells have fallen silent before. We can only hope that in the future they will once more ring out.

Ian Hasman, Tower Captain of All Saints, Winthorpe

## BONFIRE DANGER!

Please could you put an article in the newsletter warning people of the dangers of bonfires in this drought period and the impact they have of those who enjoy sitting out in the garden after a day at work. We have just had to go indoors from sitting outside enjoying a glass of wine on this lovely Summer's evening (Friday 13th July) because of somebody having a bonfire at the bottom of their garden. Not only did we have to go inside, we also had to close all the windows because of the smoke coming our way.

Many thanks,

Woodlands resident

# WINTHORPE WITH LANGFORD PARISH COUNCIL

The Parish Council held its monthly Parish Council meeting and its quarterly finance meeting in the village hall on Thursday 19th July 2018.

The Parish accounts have now been externally audited and details of how to obtain a copy are published on the village notice boards.

The Parish Council would like to thank everyone for their efforts in making the village festival such a success. Details of the monies raised and the distribution of the funds are published in Focal Point.

The Council would like to give special thanks to Sue Masheder and Tish Applewhite for their hard work in organising the event.

A resident from Pocklington Crescent came to the meeting to raise the issue of noise from the showground on the weekend of the 5th July for four consecutive nights. He has written to N.S.D.C. and the noise abatement officer has been in touch. The Parish Council will also write to N.S.D.C. and the showground in support of this matter. If any other residents have concerns about the noise from any event on the showground, please contact me and I will raise this with the showground owners.

An issue has been raised regarding the dumping on cans and rubbish near to the bottle banks. The bottle banks are solely for the recycling of bottles. Please take any other waste to the N.S.D.C site on Brunel Drive. If the bottle banks are close to being full, please contact me and I will arrange for them to be emptied.

As always, if you would like any further information or need to raise any concerns, please contact me on the following email address:

## **CHURCH NOTICES**

We welcomed Rosie Whitworth and Marcus Marriott into the church in July and look forward to another baptism this month.

The Open Churches weekend was held, like everything else in July, over a hot weekend but sadly perhaps because of travelling in the heat, numbers visiting did not materialise through the door. This was a shame as this year there was even more to do – a quiz and an historical display on the newest building to be put on this site through the Revd. Handley's generosity.

Thank you to all those who donated items for the Tombola stall at the Village Festival and to all those who contributed to us making a goodly sum for the church.

As you will have read earlier in FP we are very sad that the bells will be silent for the moment and hope that some more ringers do come forward to be trained at Practice.

Our thoughts and prayers are with anyone who is ill or hospitalised at this time and also with the farmers for a good crop and safe harvest gathering.
