

Hello Folks

Not sure what you would like to hear from me but thought I would do the same as I do with Fleet and tell you about my adventures and mishaps. I do seem to have more than most. After finishing both magazines last month I was going away on Easter Saturday to visit friends who live in France. I was heading for an overnight ferry from Portsmouth to Le Havre when I stopped at Northampton Services for some diesel and to use the facilities. On leaving the Loo I was accosted by one of the assistants who said 'Your car is on fire!' Three blokes were emptying three fire extinguishers into the engine area and by the time the fire Brigade arrived the fire was almost out. Nothing was touched inside my car only the engine. I was then RAC'd home. On Easter Monday I bought another car (It's Beige!!) and picked it up on the Tuesday and after more rebooking of ferry I set off yet again for Portsmouth. I got there about 6pm and went into the terminal for a drink and a bite to eat. When I came back to my car the rear offside tyre was flat!! More calls to the RAC Too late to get a tyre from anywhere by now as it is 8pm. So onto the ferry and overnight to Le Havre where on arrival I start to look for French tyre place. Found one with a very helpful chap who spoke not a word of English but with my limited French I managed to understand that I would have to have two tyres as they don't allow you to mix different makes on 1 axle, so after a cost of 300 Euros, I am on my way again After that my holiday settled down and I had no further mishaps and visited La Rochelle, Niort, and Confolons for an English Fish and chip dinner on May 1st which is a bank holiday and all French restaurants were closed. We also went to Riberac and stayed overnight. The weather wasn't great but I really enjoyed myself and I finished with a visit to Chateau Chambord on the way back. **On a more serious note next month I do need to have all the details of stuff that is also going on in August as you will get only one edition for the two months of July and August, so everything needs to be with me by 15th JUNE.**

## **AGM 29 April 2019**

At the above meeting Trustees were pleased to see that the Charity had made a surplus for the year owing to an increase in those hiring the centre and excellent fundraising from the Events Committee. The Operations and Maintenance Committee have also been busy and during 2019 the ceiling in the main hall will be replaced and the Community Centre will be completely redecorated, making it a more attractive proposition to potential hirers, including weddings and parties.

The Honorary Officers and Trustees were all appointed for a further 12 months but there is a need for some more Appointed Trustees (see below). Duncan Richardson who has been the treasurer for the last 19 years, indicated that it would be his last year, so if you are interested in managing the finances for the Charity, then please let me know.

Finally, Margaret Thornhill stood down as President of the Charity having taken over from her late husband Peter who was the first president when the new building was built in 2000. Margaret was presented with a lovely bouquet of flowers and thanked for her support.

## **Becoming a Trustee**

As residents may be aware, the Community Centre is a registered charity with a proper constitution and we hold three meetings a year as a Trustees' Committee. Our purpose is to manage and promote the Community Centre for the benefit of the residents of Winthorpe, Langford and Holme.

Our constitution allows for 7 Appointed Trustees on this committee who come from the various groups that operate in the village and we currently have 4 vacancies for Appointed Trustees.

If you belong to a group who is a regular user of the Community Centre or who meet elsewhere in the village, the Trustees would like to offer you the opportunity to appoint a Trustee. Being a Trustee is not onerous, but it will give you the opportunity to represent your group or club and to have a say in how the Community Centre is run.

If this is of interest to you, please do contact me.

# Winthorpe Festival Scarecrow Competition 2019

The Festival, on Saturday 29th June will include the Scarecrow Competition again this year. There isn't a theme so entries can be who or whatever you want them to be, as long as it's a scarecrow! We are hoping that more individuals/families/groups will take part this year, it's a fun activity, so get your thinking caps on!

Entry will be open to anyone at a cost of £2, also group entries. The forms plus remittance must be in by Wednesday 26th June to one of the two addresses below.

Application forms will be available at Winthorpe Primary School and from the beginning of June, they will also be available at The Lord Nelson; the bus shelter at the pub; from Sue Masheder at 7 Gainsborough Road and Tish Applewhite at 76 Gainsborough Road.

Villagers can display their scarecrow in their front garden, the week beginning 24th June. Those living outside the village can display them at school. Judging will then take place, with

the winner announced at the Summer Festival on Saturday 29th June, and prizes awarded!

## GIANT SUNFLOWER COMPETITION

How are your sunflowers doing? They have been growing for about six weeks now, by the time Focal Point pops through your letterbox.

Your plants can go outside this month, if you haven't already moved them. They can go directly into the ground if you have space, or large garden tubs if not – remember that they will probably stop growing for a short time when you re-pot or plant them out, so don't worry if they don't seem to be doing much!

Don't forget to keep watering your young plants – hopefully we will get some nice sunny weather and your plants will be thirsty.

It's also worth tying the young plants gently but securely to plant stakes or canes to protect them on windy days and keep them growing straight – remember that every centimetre counts if you want to be our winner!

We'd love to see how you're getting on – you can send photos to:

## WINTHORPE GARDENING CLUB

Our guest speaker for the May's meeting was Tracy Akehurst with her talk and slide show on the history of chocolate.

Many years ago the Aztecs found that the beans from the cocoa tree, *Theobroma cacao*, when crushed and made into a paste formed a delicious drink. This was not like our hot chocolate that we have today. The creation of the modern chocolate bar is due to the work of Joseph Fry of York in 1847. This bar became known as Fry's Chocolate Cream. A few years later Cadburys developed their own brand of milk chocolate.

Chocolate pieces were passed round. These were quite dark chocolate but had some sweetness when eaten after trying 100% cocoa.

This was an enjoyable and tasteful evening.

Programme for the season.

- June 19th. Two-day trip to Ascott House, Gardens & Sissinghurst, both N.T.  
Meal on the way home. Coach leaves at 8.30am.
- July 17th. Evening visit to Honeytrees Tropical Garden, Bottesford. Cars leave Lord Nelson at 5.50pm.
- Sept 18th. Ramblers & Scramblers.

- Oct 16th. Whisby Nature Park.  
By Phil Porter.
- Nov 20th. Flower Arranging.  
By Jan Thompson & Susie Conning.
- Jan 15th. Social Evening.
- Feb 19th. Our Travels in Namibia.

## The Photographic Challenge

The World Around Us (the small things)

It's that time of year again where we need to start thinking about the Winthorpe photographic challenge to be held at the Winthorpe Village Festival on the 29th June.

Les and I had our usual brainstorming session to think of ideas for a theme, we ended up discussing Brexit and the state of the world in general. This got me thinking that in these uncertain times we could perhaps focus on the small things that make us feel good. For me that's the birds in my garden; what is it for you?

Entering the challenge couldn't be easier, take out your phone or camera and snap to your hearts content, this can be anything that makes you feel good, for example a landscape, your pet or a family member.

Have the photograph printed, this can be any size and shape.

Put your name and address onto the back of the print and bring it to the festival nice and early or alternatively deliver to myself or Les.

The competition will be judged blind by the general public. We will have a small prize for the winner but more importantly you will get the bragging rights of the village. Amanda Ramsay and Les Murray

## REFLECTIONS FOR JUNE 2019

Dear Friends,

So what happens next? We've celebrated Easter and the May celebrations, this month the year turns to summer and we're half way through! We look forward to Hymns and Pimms in South Clifton, a strawberry tea in Besthorpe and a summer festival in Winthorpe, but then what?

So what happens next? I guess that's what the first followers of Jesus were asking, after they'd got over the fantastic shock and joyful acceptance that Jesus was alive. They could never have guessed what was to come next.

We're told that Jesus gave them instructions before he left their sight. He told them to wait for the gift of Holy Spirit, God in us, and then to go into all the world to tell everyone what had happened.

They did wait and they got another big surprise when that gift arrived. Holy Spirit gave them courage and power and gifts of communication, so straight away they came out of hiding and began telling other people about Jesus. Life would never be the same again.

We celebrate these events on Thursday May 30th, 7:30pm at Girton Church; this is Ascension Day, and Sunday June 9th at Girton, Winthorpe, Clifton and St John's Collingham (see the church timetable for times); this is Pentecost or Whit Sunday.

One of the big messages of this time is that church is for everyone, so do come along.

Those first followers of Jesus were told to wait and pray and we're going to be doing some of that as well. We've got copies of booklets in all our churches which will help you pray, so pick one up in church or let me know if you'd like one.

Also, for a few days, we've got extra services at All Saints Collingham.

There will be an early morning, very short Holy Communion service at 6:30am. So, if you're on your way to work or school, or you're out for a run, walking the dog or you suffer from insomnia, do come along (well behaved dogs welcome!)

Church will be open for this service on these days: May 30th, May 31st, June 1st, June 3rd, June 4th, June 5th, June 6th and June 7th.

There will be a short service of evening prayer on these days: June 1st, June 2nd, June 3rd, June 4th, June 5th and June 6th.

Remember that our churches are open at different times every week for private prayer, so please watch out for those times.

Looking forward to seeing you in June,

God bless you,

*Revd Mandy.*

## WINTHORPE & DISTRICT W.I

Our May meeting was “Resolutions”. David Wright of Wrights Coaches was invited to give a talk on the Decline of Rural bus services. To help the evening along, we had a glass of wine or two and nibbles.

Our second discussion was “Don’t Fear the Smear”. We also had a question and answer session. If any of you saw “The All New Monty” on Monday and Tuesday of last week, where it highlighted the importance of getting yourself checked. The W.I. “ Don’t Fear the Smear” Resolution also highlighted the same facts.

We also had a sale/swap shop table. It was with pleasure we welcomed a new member.

Our June 13th meeting in the Village Hall is “Seated Yoga” a toning up taster session for the summer. Hostesses for the evening are Mary Harrop, Stella Hopewell, Barbara Nelson and Susie Conning.

One of our members has kindly offered her garden for our July celebrations of summer. Yes, we will again be having wine, strawberries and cream. A great social evening!

We hope that the Post office and coffee morning will be able to return on Thursday 16th May, following considerable damage to the Community Hall. As they say “watch this space”.

Virginia Seager, President”

## NEWARK FOODBANK

Winthorpe church on Sundays when there are services on and during "Open church" Thursday 2:00pm - 4:00pm

Dear Folks,

We hope you're reading this amidst glorious June sunshine.

Our annual Duck Race and Fundraiser, held on May Bank Holiday Monday, raised a good sum for our Reach. We were delighted to support this amazing organisation as our chosen charity.

June is a magical month for us as we host "Winfest", our third bespoke ale and music festival, the magic starts a day earlier this year with our chilled out pre party on Friday 21st June and then on Saturday 22nd June We'll be offering selection of food and super ales to go alongside our bands.

And don't forget to buy your Gin Tasting event tickets for Thursday 11th July, hosted by the redoubtable Ann et Vin - tickets available from the bar.

We would love to hear what other events you would like us to hold.

FYI, we've pushed back our fundraising auction for the Bomber County Gateway Trust until later in the year.

We look forward to welcoming you soon.

Best wishes,

## WINTHORPE WITH LANGFORD PARISH COUNCIL

On Thursday 16th May 2019, the Parish Council held its Annual Parish meeting followed by the Monthly Parish Council meeting in the village hall.

The Council unanimously voted for Lee Cammack to continue as Council Chairman with Bob Allen continuing as Vice – Chairman.

The Chairman thanked the Parish Council, its Clerk and Councillor Dobson for the valuable support given to him this year.

As stated in last month's edition of Focal Point, following the recent Parish Council elections, there was a vacancy for three Councillors in the Winthorpe Ward. I am delighted to say that we received five applications and Mark Kneen, Bob McClymont and Paul Smith have been co-opted on to the Parish Council for the next four years.

The Council have been notified by N.S.D.C Planning Enforcement Officer that the two appeals lodged against the planning Enforcement Notices issued relating to the caravan site adjacent to the A1 have been dismissed by the Planning Inspectorate, and both Notices upheld subject to slight revisions.

The period for compliance with the Notices require, broadly, the unauthorised use of the land for residential occupation in caravans to cease within 6 months of the 29th April 2019; and for all hard standing and structures to be removed within 9 months.

N.S.D.C will continue to monitor the situation and take appropriate steps to ensure compliance with the Inspectors decision.

The Council were also notified by the Information Commissioners Office that the Parish Council was not in breach of its duties regarding the information it supplied to a village resident regarding the tenancy agreement between the Parish Council and the Allotment Association. The ICO viewed that the Council had provided all the required information to the resident concerned and the Council needed to take no further action in this matter.

Mrs Sally Sillery – Parish Clerk

### Sightings at Langford Lowfields

- We have had a range of unusual sightings at Langford since the last newsletter, including:
- Whitestalk
- Short-eared owl
- 34 avocets – the highest number ever counted in Nottinghamshire
- A pair of otters seen end April from the boardwalk
- Pectoral sandpiper - an American species of wading bird so this is well off course and only the second one we have had at Langford
- Garganey (duck species)
- 7 little gulls
- Lots of arctic terns which fly from the arctic to Antarctic and vice versa
- Kittiwake
- During a recent rainstorm we had a big fall of wading birds – 180 dunlin, the most ever counted at Langford
- 50+ ring plovers - again the highest number at Langford
- Knot – this bird digests its own internal organs to get extra energy for their long migration as they fly very long distances
- 2 sanderlings hanging out on the sand
- Little stint
- And in the last couple of days 11 hobby's counted - highest ever number counted at Langford.

## News from Langford Lowfields

June 2019

### Car Parking at Cottage Lane, Langford Lowfields

From summer 2019, car parking charges will be introduced at Langford Lowfields for non-RSPB members (members are free as are blue badge holders). These will be as follows:

Up to 2 hours - £1.00 Over 2 hours - £2.00

As a charity, we must maximise our opportunities to raise income wherever possible. This allows us to financially support our charitable purpose of conserving wildlife and habitats, while maintaining our visitor facilities and providing excellent, inspiring experiences for our visitors.

It is customary for organisations such as ours to charge for car parking, and there are many RSPB reserves throughout the country with a car parking charge or entry fees. We compared our situation with other local and national providers and believe that our charges are reasonable.

The income generated through car parking charges contributes to the ongoing cost of running the facilities that visitors use at Langford (including the car park, trails and picnic areas). The car parking fee includes reserve entry for all those arriving by car and use of all visitor facilities. It also helps to support the vital conservation work we carry out here to help wildlife.

### Work Party News

The work parties have recently been:

Building lots of bat boxes to go up in the woodland. The site team have been working with Nottinghamshire bat group who have found a species of bat that hadn't been found here previously (nathusius pipestrelle).

Putting up lots of protective fencing around the reed planted on the new phase 3 area to protect the delicious new reed shoots from greylag geese.

Upgrading the pond dipping station which is due to be put in place for the school summer holidays.

Building lots of fish shelters by creating big bundles of willow which are thrown into the deep water area to provide hiding places for small fish.

### Dawn Chorus Guided Walk – May 2019

The recent Dawn Chorus guided walk took place and went very well. The highlights of what the group saw include 9 different species of warblers, lots of avocets, 2 bitterns booming, hobby, and common sandpiper. The day started really misty, which meant more listening to bird song rather than being able to see the birds. However towards the end of walk the mist had cleared and everyone got some beautiful sunlit views across the landscape of Langford where they were able to see swift and sand martins flying overhead.

### **Bird boxes & refreshments**

We continue to offer birdboxes for a donation of £10. There are still opportunities to volunteer with us, on the Beach Hut, in a meet and greet role. Get in touch if you feel you could offer a few hours a week for this – 01636 893611. Limited food and drink is available on site – see the volunteer at the Beach Hut!

### **Guided Walk – July 2019**

Our next guided walk is Butterflies and Wildflowers, taking place on Saturday 6 July 2019 10am-1pm, meet at Cottage Lane Car Park. This is a great walk and was very popular last year. A staff member of the RSPB who is a wildflower enthusiast joins our Site Manager for a tour of Langford. Please call us on 01636 893611 to book a place. Prices are: Adult Non Member £10.00; Adult Member £8.00 / Child Non Member £5.00; Child Member £4.00.

### **Wider RSPB News: Pin Badge boxes**

Our community fundraising volunteers are the local face of the RSPB. Last year, in the Midlands, the team raised an incredible £101,000 in donations from our pin badge and collection boxes, and almost £1.3 million nationally. Could you help us raise even more for nature?

The Community Fundraiser Volunteer role is suitable for those with little expendable time but a passion to do their bit for wildlife. We will support you to place 1 or more pin badge boxes in your local area, the donations from your boxes will need banking every 4-6 weeks, and the pin badges will need topping up. You will then report the income on our user friendly online system and place an order for any additional stock you may need. This can all be done in a time to suit your other commitments. Simple!

If you are interested in finding out more about the role get in touch with Harriet Dufficy, Community Fundraising Officer, [harriet.dufficy@rspb.org.uk](mailto:harriet.dufficy@rspb.org.uk)

## ALL SAINTS WINTHORPE CHURCH NOTICES

We welcomed Oliver White into the church early last month and ended it with more celebrations with our first wedding of the year.

It is so good to be having services back in church again, although, I don't think the bees that have been living in one of the walls feel so as they swarmed onto an outside wall for several days but from there they have moved back into the air brick – the situation is being monitored!

We were all very sad to hear of the mindless vandalism that struck the CC in May and hope the perpetrators are quickly brought to justice. The CC will be very much in the centre of things at the Village Festival to be held on the 29th June. The church will again be running a Tombola stall and if you would like to contribute any items for this please do pass them on to John Nelson (Woodlands), Joan Lord( Gainsborough Rd), Sandra Cobb (Pocklington), Christine Hasman (The Spinney) or myself. Any item will be very much appreciated.

More sad news to report of two past village residents and former Churchwarden/Secretary, Ann and Alan Stone, who are now being cared for in Somerset near to their son. Alan is now very ill and we remember them both in our prayers as a couple who did so much for All Saints in the Village.

We also pray for other villagers who are ill or hospitalised at this time.

See you at the Festival!

Tish Applewhite, Churchwarden (643763)
